ESSAY TITLE: What Veterans Day Means to Me
Veterans day means so much to me cause
the veterans risked there lives for our safety
and ever your safety and some may never get
to see there family so that's why i love veterans
day so i can thank them and tell them that
i appreciate all that you have done
for us and the veterans did not have
do that for us but they wanted us to
be safe and have a good life and
that want us to stay safe and sound they
dont want us hurt and i hope there ok
cause they do so much for us and they risk
there life and that was nice and so
many people are missing as a veteran and
there family are so sad and many people
will miss you including me and veterans
day is a important to every one
and there parties are so exciting to see
them maybe cause that are gone for so long
