“Run the best store in town.”

K-VA-T Food Stores, Inc., the corporate banner for the Food City supermarket chain, is an acronym for its original service area of Kentucky, Virginia, and Tennessee. The privately held, family-owned company has grown over the years by expansion, new store construction, and acquisitions.

Having served their neighbors for over 100 years, the Food City banner dates back to 1918, with a store in Greeneville, TN. K-VA-T Food Stores' beginning came in 1955 when Jack C. Smith (founder), his father Curtis, cousin Ernest, and uncle Earl opened their first Piggly Wiggly in Grundy, VA. The company later acquired several other Piggly Wiggly locations in Southwest Virginia and Eastern Kentucky, followed by Quality Foods/Food City, White Stores, Winn Dixie and BI-LO stores in east Tennessee and north Georgia. Food City most recently acquired the Cooke's/Fresh n' Low family of stores in the greater Cleveland, TN area.

Today, the company spans five states, operating 18 locations in southeastern Kentucky, 28 in southwest Virginia, 97 in east Tennessee, 10 in north Georgia, and 2 in Alabama. The 155-store chain includes 133 Food City locations (with 120 pharmacies and 118 fuel/convenience stores), 3 Fresh n' Low locations, 4 Super Dollar Food Center limited assortment stores, 4 wine & spirits stores and 11 Curt's Ace Hardware stores. K-VA-T Foods also operates their own 1.2 million square-foot distribution center, located in Abingdon, VA, as well as Misty Mountain Spring Water, L.L.C. 11-12% of the company is owned by their associates through their employee profit-sharing plan. The company attributes their continued success to their talented team of associates and their dedication to their customers and the communities they serve.

Food City offers a wide variety of services and conveniences, ranging from in-store fresh baked goods, deli meats, cheeses, salads, hot foods, and large café seating areas to Floral Boutiques, staffed with trained designers seven days per week. Full-service meat and seafood departments offer pre-marinated/seasoned products and a complete selection of top-quality all-natural meats, including Certified Angus Beef. In-house butchers hand cut steaks, chops, and roasts to order. Expanded grocery, frozen food, produce and health & beauty care departments go well beyond the normal fare, with a huge selection of gourmet, international and hard-to-find items. The Farm to Food City partnership with local growers

provides their customers fresh-from-the-field fruits and vegetables, many of which are delivered the same day they're picked. The company purchases nearly \$5,000,000 in locally grown produce annually.

Food City pharmacies are staffed with highly trained professionals, and a number of locations offer the added convenience of drive-thru service. Their Gas N' Go fuel centers offer competitive prices on top quality fuel and diesel. A number of stores include national or local branch banks, offering ATM's and a full range of financial services. The company also offers the added convenience of on-line shopping with curbside pick-up in many locations. Orders are filled by professional shoppers and loaded into the vehicle upon arrival. Food City Home Delivery powered by Instacart is available at most locations, providing shoppers with the flexibility of same-day delivery to their door. Food City's partnership with DoorDash offers on demand grocery delivery in numerous stores, as well as on demand delivery of fresh floral arrangements in participating localities. A number of stores also include a Starbucks café, offering a wide assortment of blended hot and cold coffees and beverages, as well as an assortment of tasty breakfast sandwiches and pastries.

The company offers a full line of money saving private label products, including Food Club, Food City Fresh, Full Circle Market, Wide Awake Coffee Co., Tippy Toes, Harvest Club, Paws Happy Life, Evolve, Over the Top, Nostimo, Crav'n, CharKing, Misty Mountain, Flock's Finest, b-lieve, Simply Done, TopCare, Culinary Tours, That's Smart, Pure Harmony, and more. Food City also carries a line of exclusive regional brand products, including Kern's Bread, Kay's Ice Cream, Lay Meats, Terry's Snack Foods, and Moore's Potato Chips.

The company supports a number of non-profit organizations and community events throughout their market area. Food City's School Bucks Program has donated more than \$22,100,000 in much needed equipment to over a thousand area schools. Their annual Charity Golf Outing has raised nearly \$14 million to benefit area charitable organizations. Their annual Race Against Hunger campaign provides over \$500,000 in local hunger relief each year, in addition to their Friends & Pets in Need campaign, which raises nearly \$400,000 annually. Their Paralyzed Veterans of America partnership has raised \$3.7 million to benefit paralyzed veterans.

The company also raises over \$500,000 annually in support of Juvenile Diabetes Research Foundation and supports many other organizations, including United Way, The American Cancer Society, American Heart Association, Second Harvest Food Bank, Feeding Southwest Virginia, and countless others.

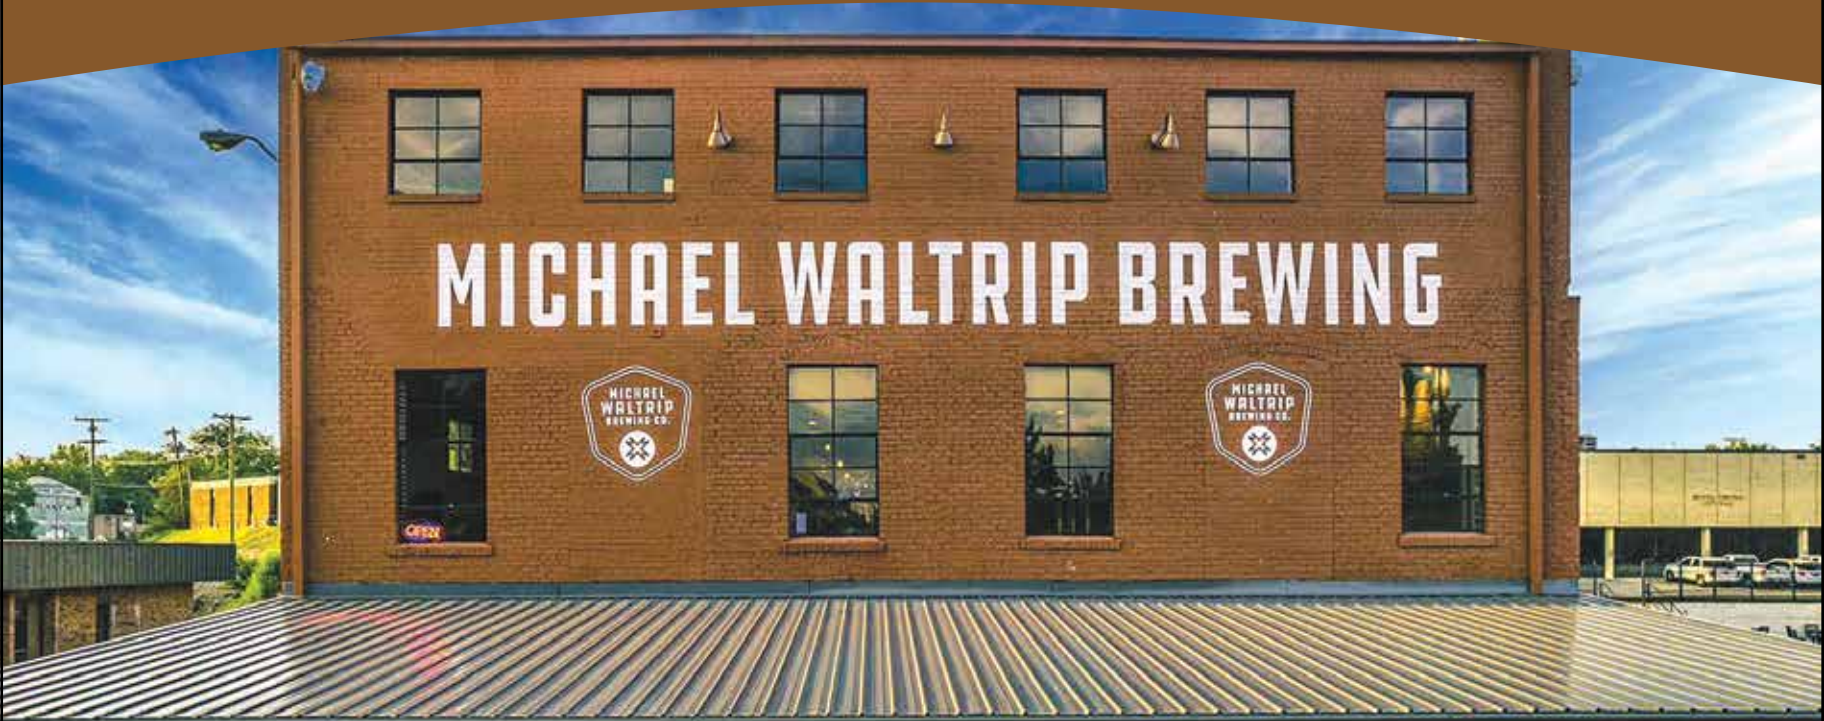

The Food City name is also synonymous with NASCAR racing through their title sponsorship of two of the sport's most popular events – the spring Food City 500 and fall Food City 300 at Bristol Motor Speedway in Bristol, TN. The second longest running sponsor in NASCAR motorsports, 2022 marked the 30th Anniversary of the company's race sponsorships. Food City served as the presenting sponsor of the historic “Battle at Bristol” football game between the University of Tennessee and Virginia Tech. The company also serves as the Corporate Champion for the University of Tennessee Athletic Center with the naming rights of the Thompson-Boling Arena at Food City Center and is a major corporate partner for several other local athletic programs, including East Tennessee State University, Radford University, University of Tennessee at Chattanooga, and Emory and Henry.

“We're proud to be locally owned and operated,” says Steven C. Smith, Food City President/CEO. “We're extremely passionate about what we do, and we're committed to providing our customers with exceptional service and top-quality products at the lowest possible price while continuing the mission our company was founded upon, to “run the best store in town”.

ZOOM MOTORS HAS TWO CONVENIENT LOCATIONS!

Zoom Motors Voted #1

Zoom Motors is a locally owned and operated pre-owned automotive group that offers many different car, truck, and SUV options for any budget. Since opening in July of 2022, Zoom has helped over 3,300 customers find a vehicle that meets their needs.

Zoom Motors of Bristol was originally established to bring affordable options to northeast Tennessee and southwest Virginia. Our goal is to bring a family owned experience to the community due to many locally owned family dealerships being sold out to large corporations.

Our dealership's owners have over 30 years of experience in the automotive industry with multiple successes from sales to corporate franchise management. Our front end management team has over 25 years of experience with sales management, including foundational relationships with many lenders including local credit unions and national banks.

Our sales team strives to provide an industry leading experience with our customers by focusing on the customer's wants and needs in store, while our internet team works diligently to assist customers locally and hundreds of miles away. This has contributed to the success of our family-owned dealership which has in turn allowed us to open a second location in Johnson City to better serve our customers in northeast Tennessee and the western Carolinas. Zoom Motors has a vast hand-picked inventory of 200+ vehicles in stock between two locations with many make and model options that are competitively priced within the market.

In May of 2024, Zoom Motors was nationally recognized by Automotive

News as a "new to the list" of upcoming top contenders in non-franchise independent groups which highlighted both Zoom Motors of Bristol and Johnson City collectively. In 2023, Zoom Motors finished with a sales total of 2,057 sold units. This could not have been attained without our community giving us the opportunity to serve them with their automotive needs. In addition, Zoom Motors has won a CarGurus Top Dealer award for our accomplishments in the 2023-2024 year.

Thanks to our growing clientele within the tri-cities, our service team has had the opportunity to hire double the amount of locally trained automotive technicians with ASE certifications. This has allowed us to achieve first place in several Best of Bristol categories including best oil change service and domestic service department thanks to our loyal customers. Within our service department, we have had the ability to expand our reconditioning team to maintain our extensive inventory and customer demand.

Please feel free to reach out to Zoom Motors for any of your sales or service automotive needs. Service appointment bookings are taken quick and easy through our website or give us a call to schedule maintenance and repairs. The full vehicle inventory for Zoom Motors can be viewed at www.zoommotors.com or in person at our two locations. We hope to provide exceptional sales and service to our community for years to come. Once again, thank you to everyone who has helped Zoom Motors achieve a successful start in the Tri-Cities as your #1 used automotive dealer!

Thank you,

to everyone who voted Black Wolf Harley-Davidson® as their favorite motorcycle dealership. We could not have accomplished this without you, our loyal customers, and our great team at the dealership. We are so honored and humbled that you have voted us "Best of Bristol" once again.

Opens the world ... feels like home

King University is proud to
welcome our 24th president,
Andy Tooley, Ph.D.

www.king.edu

800.362.0014 | admissions@king.edu

For more than 150 years, King has called Bristol home. It's a legacy we're proud to uphold as we welcome our next president, debut new degree programs, and find fresh ways to serve our neighbors, families, and friends.

Thank you, Bristol – we're grateful for your support!

Thank You Bristol!

For more than 150 years, King has been creating community. Our focus on academic excellence, spiritual growth, and social connection has resulted in a place that feels like home – and opens the world.

Our community lives, plays, and works in our region. It's one of the reasons we're committed to making sure our students graduate with lower debt, carry a higher earning potential, and have more opportunities to advance.

King students and alumni can be found working in healthcare, business management, sports entertainment, education, economic development, and numerous other fields throughout the Tri-Cities and beyond. You can also find our faculty and staff volunteering with nearly 100 faith-based and non-profit organizations invested in bettering the lives of others.

We're grateful that the New York Times Magazine named us among the top-ranked, most selective schools in the nation supporting mid- to low-income students. We're thankful that we were named a Best College of America by Money Magazine. We're honored to be a nationally ranked Top 10, Gold-status school with Military Friendly®, and delighted that our School of Nursing consistently ranks among the topmost in East Tennessee, with seven consecutive years of 90%+ NCLEX pass rates.

And we're proud to call Bristol home.

FAVORITE BANDS IN

2024!

COAL CAMP

www.coalcamprocks.com

www.facebook.com/coalcamprocks

Our band COAL CAMP was formed in 2018 in Russell County Virginia. The band was originally named Coal Camp Revival. Everyone we would come in contact with would just call our band COAL CAMP, so we decided to rename the band to that in 2020 right after COVID struck. One of the reasons we used that band name to begin with is to pay homage to our families which mostly worked in the coal mines as we grew up. Everyone had a family member that worked in the mines. One of the current members is still a coal miner and works in Buchanan County to this day.

We are currently a five piece rock cover band. The band members are Rodney Davidson on lead guitar, Klay Davis on drums, Joe Dingus on Keyboards/lead/backup vocals, Jeff Dye on bass and Kevin Hess on rhythm guitar/lead vocals. The band also plays a couple of other genres as well such as country and alternative. Rodney and Klay are the only original members left since the band first started in 2018. Kevin joined the band in 2020 right after COVID hit. Jeff Dye joined the band in September of 2022. Joe Dingus joined the band in 2023.

In 2021, we were nominated and won second place of the Best of Bristol contest for bands and musicians. In 2022, we were nominated and won first place in the Best of Bristol contest for bands and musicians. In 2023, we were nominated and tied for first place with 49 Winchester in the Best of Bristol contest for bands and musicians. It was a great honor to be tied with such a great bunch of guys that are blowing up the music scene and even touring with Luke Combs this year. In 2024, we won second place again in the Best of Bristol contest for bands and musicians.

In the past, we were given the honor to open up for larger bands such as Sawyer Brown, Resurrection, and Folk Soul Revival. This year we've been asked to open up for Generation Radio in Richlands Virginia on July 28th. We've been asked to headline several festivals and events throughout the years as well. In 2024, we were honored to be asked to be a resident band for the Bristol Casino, future home of Hard Rock. We are currently performing there every second Saturday of the month.

Being a musician, especially in this region, does not pay enough money to live on. We've calculated up our costs after all the expenses and time put into playing a couple shows it only equaled up to \$6 an hour per member which is not even the price of minimum wage now. You really have to just love music to be willing to perform for the public, especially in our region. But that's why we continue to do it. We're lovers of music, and love to see people have a good time with us. There's nothing like watching the crowd interact with us and just lose themselves in the music.

Our website is www.coalcamprocks.com and our Facebook page is www.facebook.com/coalcamprocks

Klay Davis

I am originally from Grundy, Virginia. I am the Drummer and Booking Manager for the COAL CAMP. When I was in middle school, almost all of my friends were playing guitars or bass. I tried to play guitar myself but was REALLY BAD at it so I decided to trade in my guitar and buy my first set of drums. I was hooked. I played in a band for a couple of years called Screw-driver that my friends and I had created in high school. Afterwards, I went off to college and started working full-time. I had stopped playing music until 2018 when I helped form our band, COAL CAMP.

Our band has been pretty successful for the past 6 years. We've won the Best of Bristol two years in a row and before that got second place in the Best of Bristol contest. I even started my own karaoke/DJ business a couple of years ago called Loudmouth DJ & Karaoke. The website for that is www.facebook.com/loudmouthhdjkaraoke. It also placed first in the 2023 and 2024 Best of Bristol contest for best DJ's.

Greenhouse Cleaning Services Voted Best Cleaning Service!

As a large family with four teenagers and two pets, we understand messes better than anyone. We also understand that cleaning those messes the traditional way, with chemical-based cleaners, can be harmful.

Like many of you, we value our health and the environment, and we knew that there was a better way. That's why we started Greenhouse.

Our goal is to provide you with an exceptionally clean home, without the use of any toxic chemicals. We never use harmful chemicals like bleach and ammonia, so you won't sacrifice your health for a clean house. We use safe, well-established products like

Method and DoTerra. Additionally, we create our own all-natural cleaning solutions that are just as powerful and effective as the toxic, commercial cleaners, and they are completely safe for your family and pets.

We offer flexibility in our cleaning plans and prices to fit your lifestyle and budget.

Rest Assured, if we wouldn't use it in our own home, we won't use it in yours.

Faith Sees Shepherd's Pest Control through to Best Pest Control Award

Best of Bristol---

Shepherd's Pest Control began through prayers, faith, and hard work. Founded in the autumn of 2017, Dan Shepherd heard the call to start his own pest control business. Dan recalls that during that time, "I prayed and asked God what he wanted me to do, and He said, 'start a pest control business;' and I said, 'do you know what that will do to my family?' and He said 'yes, I'll take care of everything.'" Keeping the faith, Dan worked diligently building Shepherd's Pest Control to the best of his ability with God's help. By the spring of 2019, the business had grown enough that he needed help to get all the work done and as word got around, it became evident in late 2020 that more help was required and once again, God provided a way. In the last few years, Shepherd's Pest

Control has been growing by leaps and bounds offering only the BEST service to their customers as well as adding new services to further meet their customers' needs. In addition to Dan, the team now consists of general manager Steve Skeens, technicians Nathan Leonard, Lee Fugate and David Lane. You can find them at work all over the Tri-Cities, Northeast Tennessee and Southwest Virginia areas completing treatments ranging from general pest control of ants, roaches, and mice to summertime treatments for those pesky mosquitoes, heat treatments for bed bug infestations and termite treatment and prevention. When you contact Shepherd's Pest Control, you get the best and a guarantee to always deliver on that promise.

The Neo Tex brushes are saturated with water & biodegradable detergents, gently washing away road grime & dirt, leaving you with a thoroughly cleansed exterior.

Our tunnel features a variety of premium products formulated to deliver superior protection & shine, such as our signature 'Ultimate Fusion' paint sealant process and 'Ultimate Ceramix', which is designed to repel water, dirt and grime. Our wash tunnels are also equipped with advanced drying systems and Buff & Dry equipment, which together, deliver an effective dry & enviable shine.

Ultimate Shine is dedicated to using industry-leading technology to preserve and care for the environment. Our washes reclaim, clean, and reuse about 80% of the water used with advanced water reclamation technology. This means that the water used to wash your car is captured in

Bart Long is a lifelong resident of Bristol, Virginia/Tennessee (the best little town in two states). He began his adult life by the joining the United States Navy, where he served as a Presidential Honor Guard in Washington D.C. After completing his tour, Bart returned home to Bristol and began his career, growing his real estate auction firm into one of the largest in the Southeast. Bart's passion for success and growth has driven him into several fields of business over the years including commercial and residential real estate investing, restaurants, farming, heavy equipment, and finance.

Volunteering to serve others is very important to Bart. He has been President of the Bristol VA/TN Association of Realtors, and has served on many Boards of Directors, including the local Chamber of Commerce, Bristol Virginia Planning Commission and many charitable organizations. His interest in government has always been a big part of his life. He was honored by the people of Sullivan County Tennessee being elected to serve as their County Commissioner, and then their County Register of Deeds.

The Clydesdale horses have become a huge part of Bart's life. Using them as a promotional tool for his auction business, we have seen firsthand the impact the horses have on the hearts of the people within the community, and Bart is glad to have the opportunity to share them. These big guys love doing farm shows, fairs, and parades.

Tradition Carries Ridgewood To Best Barbecue Award

Best of Bristol ---- and Best in Tennessee as well! Ridgewood Barbecue repeats its local award, and also beat out 30 other barbecue places to snag the top spot in the Tennessee Department of Economic and Community Development's 2014 Facebook poll.

Father and daughter, Larry Proffitt and Lisa Proffitt Peters, carry on the age-old family tradition begun by Larry's mother, Grace Proffitt, in 1948.

That year, Grace --- and Ridgewood Barbecue --- became known for their secret, unwritten recipe for Ridgewood's delicious mountain-style, tomato-based barbecue sauce. Today, readers of the Bristol Herald Courier keep coming back to enjoy the tangy sauce, served in Ridgewood's barbecue sandwiches.

At Ridgewood's barbecue pit,

on Old 19 East, 900 Elizabethton Highway, in Bluff City, barbecue starts with high quality fresh hams. The next morning, the darkened hams are sliced to reveal their succulent white meat. As customers order their meals, cooks heat large servings of meat on a grill with Ridgewood's signature sauce, then serve the platter or barbecue sandwich with a crunchy layer of coleslaw. The perfect accompaniment for the heaping portions in a Ridgewood meal is Mrs. Proffitt's barbecue beans, mouthwatering French fries, creamy coleslaw (different from the slaw on the sandwich), an amazing homemade blue cheese dressing, along with Southern sweet tea.

The menu also offers chicken, country ham, shrimp, oysters, catfish, and hamburgers.

VIRGINIA HIGHLANDS FESTIVAL

History & Mission

Robert Porterfield, founder of both the Virginia Highlands Festival and the famed Barter Theatre, held the first Festival in 1949 at the Martha Washington Inn. His purpose was to preserve and celebrate the cultural heritage of this area. The Festival, over the past seven decades, has grown in scope to represent all of Southwest Virginia. Now it not only preserves the arts, crafts, and skills that developed in this region, but it also imports talented artists and performers from around the world for creative exchange and the enjoyment of area residents and visitors.

More than 100 volunteers work year-round planning events, tours, performances, and exhibitions for the annual Festival. They staff information booths, take up tickets, shuttle out-of-town performers to their programs and represent the Festival to local media.

Vision and Mission

In December 2022, the Virginia Highlands Festival team revisited the vision and mission of its organization to ensure it always remains true to its grass roots purpose sculpted by Robert Porterfield.

Vision

–The vision of the Virginia Highlands Festival is to continue to be the premier festival that highlights the diverse art, culture and history of Appalachia.

Mission

–To produce diverse artistic and cultural activity by showcasing the creative, historical and natural resources of the Appalachian region. We do this by building local and regional partnerships that engage and strengthen community participation.

Local tourism that centers around culture and history help Abingdon, Virginia stand out. Unique events stand the test of time, and a few long-standing Festival favorites include the Historic Homes walking tour, Back Country weekend, and Sinking Spring Cemetery tour.

Arts, culture, outdoor adventures, history, theatre, music, and more... "find your way to play" in Abingdon with the
