ESSAY TITLE: Our country is very lucky
to have people who can fight for us and
trane to fight for us and the people who
died for our country I think that veterans
day should be wever day of the year. My
grandfather was in the army and I hope I
can fight for my country some day in the airforce.
I think the army is awresome and scary at
the same time and I think the airforce would
be fun because you can fly a plane and shoot
guns out of it. I am glad we have people
who will fight for us
