## 904 BLUFF STREET, DELTA

This cute little house is perfect for a couple just starting out, or older folks who want to size down. Across the street from Delta Middle School and blocks to shopping & hospital. At this price, you can make the adjustments that will truly make it yours.

MLS 825142 **$276,000.00**

## 1175 EAST 5TH ST, DELTA

This partial house was started but has since been left as-is, where-is. It started out as a 2-bedroom, 1-bath cottage. All work has stopped and there has been a lot of vandalism (found on the interior doors, electric panel, counter, etc.). Comes with a paid city water, sewer, and water tap at the street. Finish it and make a nice little profit, or make it your new home. No financing, no offers.

MLS 833647 **$225,000.00**
