

BARKSDALE
REAL ESTATE

Detail-oriented and dedicated to your transaction, Lori Barksdale is welcoming clients—sellers and buyers—to her brokerage in Cedaredge.

Concentrating on residential sales, but with vacant land, small farms, and water rights experience as well, Lori is open to what her clients' needs are, and applies her research and attention-to-details skills to help them buy and sell their properties.

Thank you to all the friends and past/current clients that have referred their friends and family to my office! That is what helps my business grow.

"It was a pleasure working with Lori. She was friendly, professional, and was quick to respond with showing reports and keeping us informed throughout the selling process. We were very satisfied with the service we received from Lori and the Macht-Liles team."

Luann H., Cedaredge
