Softball vs. Rifle (11:00/1:00)

Chromebook Checkouts

All students are required to have a device besides a cell phone to be used in their academic work. School-issued chromebooks are available for rent for \$35.

AP Test Fees

All students who are enrolled in an AP course will take the AP Exam in May 2024. The district covers half of the AP test fee and families need to cover the other half. Tests are \$48 each or \$27 for students who qualify for Free/Reduced lunch. Fees must be paid no later than October 1st.

PSAT/NMSQT - October 26, 2023

North Fork High School will be using a new testing platform from Horizon Education to prepare for the PSAT/SAT this year. However, some students may still wish to take the PSAT/NMSQT this Fall. This test will be administered on College Board's new online platform, Blue Book, and will cost \$15/student. Please contact Mr. Simpson at matthew.simpson@deltaschools.com to sign up no later than **September 15th**. The \$15 cost must be paid before the order will be placed.

Attendance & Tardies

One of the most important indicators of success in school is regular and punctual attendance. Delta County School District is contracting with A2A (Attention to Attendance) again this year and has updated Policy JH related to attendance. You will now receive auto-generated letters starting when your child reaches 6 days (42 class periods) absent. This includes excused or unexcused absences. Absences related to school activities are not included.

Of special note at the high school level, and because of the disruptive nature of tardiness and the detrimental effects upon the rights of the non-tardy students to uninterrupted learning, we will begin mandatory lunch detention for all students who have more than four tardies in a semester. Should lunch detention not result in a change of student behavior, we will follow the district's policy related to defiance of school authority which will include a system of increasing penalties.

Plan Ahead Dates

We know that many families make plans months in advance. Please be advised of the following dates as you plan ahead during this school year!

You can always find updated information on the NFHS School Calendar, which can be added to your own personal Google Calendar. Check out

<https://nfhs.deltaschools.com/en-US/calendar>
