

Arctaris-Lima Opportunity Zone Fund

Are you a business owner, project manager, or developer interested in seeking funding?

The team from Arctaris Impact Investors will be in Lima on 01/31/25 and will be hosting “office hours” for any interested project owners, developers, or others community initiatives that are interested in seeking funding.

The Arctaris-Lima Opportunity Zone Investment Program is a \$25 million commitment to invest capital in growing companies, housing, and community infrastructure projects located in Lima’s Opportunity Zones, which include the neighborhoods of Downtown Lima, the Bellefontaine corridor, and West Market Street corridor.

The focus of the investment program is to create economic opportunity through enhanced access to capital for growing companies, investment into mixed-use development, market-rate housing, and community-centric real estate to improve vitality and livability in the heart of Lima.
