

Dress for Success: Professional Clothing Closet

Browse our selection of free professional attire suitable for interviews, networking events, internships and work at the Professional Clothing Closet on the Ohio State Lima campus. Additionally, we are now also offering scrubs for those in the medical field. Open during regular building hours, you can try on clothes in our dedicated men's and women's closets. Just leave the door open when you are done!

Have clothes to donate? We welcome any men's or women's gently used professional attire and medical scrubs.

Location:
Galvin Hall, 205D and 205E

Find more information about the Professional Clothing Closet and a list of additional clothing resources at go.osu.edu/limapcc.
