

LOCAL IT SUPPORT FOR IDAHO AND CLEARWATER COUNTIES

Save money and upgrade to reliable technology.

ClearConnect was started to support the technology needs of **small businesses** in rural North Central Idaho's Camas Prairie and Clearwater Valley region. True to our founding, we continue to provide **local support** and training by connecting our clients with our highly-trained staff and local partners. This helps **our communities** remain strong, thrive, and **keep dollars** in the **local economy**.
