NEW LOCATION!!

80 FRONTAGE ROAD
Grangeville, ID 83530
happtailsresort4@gmail.com

Happy Tails Resort, LLC is an indoor climate controlled dog and cat boarding facility. My new location is conveniently located in Grangeville just off highway 95 on frontage road and is open 7 days a week. I have over 10 years of experience with animal handling and care, and I can also administer any medications your pet may require during their stay. For the safety of all pets staying at Happy Tails Resort, I do require that all of the required vaccinations are up to date. All dogs have individual outdoor time 2-3 times per day in a secure area. I also have added a large indoor play area for the dogs at my new location. For the safety of all the animals no pets are intermingled. My goal is to make your pet's stay at Happy Tails Resort as comfortable and pleasurable as possible.
