

**SATURDAY** **APRIL 26**

- Styrofoam is **NOT** recyclable. It cannot be made into new products even though those who manufacture it want you to think it can.
- On average, Americans throw away 83 styrofoam cups per person per year.
- The total number thrown away in the U.S. per year is 25 trillion. That's enough to circle the globe more than 100 times.

*Please use real cups when possible. It will make a difference.*

**FOR MORE INFORMATION CALL THE ENVIRONMENTAL SERVICES DEPARTMENT AT 283-1157**

**SUNDAY** **APRIL 27**
