IVSC

The following report has been posted at the International Voyageurs Snowmobile Club website at <http://www.ridetheborder.com/>

“With the days getting longer and the season getting shorter, get out and enjoy the beauty Mother Nature has given us with the fresh snow we received. All trails are in great shape, and freshly groomed. Enjoy the weekend, watch your speed and be safe.”

VNP

Experience the ease of snowmobiling on groomed surfaces at Voyageurs National Park thanks in part to the gateway community snowmobile clubs: International Voyageur Snowmobile Club, Ash River – Kabetogama Snowdrifters, and Voyageurs Trail Society.

The Chain of Lakes trail is one of the most scenic and solitary snowmobile rides a visitor can experience in a national park. This trail departs from the green trail along the Black Bay Portage. The first section to Locator Lake is two-way traffic; the narrow trail beyond is one-way until it reconnects with the green trail on Kabetogama Lake.

Below is this week's winter trail conditions, which is also available on the park's website at www.nps.gov/voya.

Snowmobile trails

Speed limits in the park are 45 mph on lake surfaces and 25 mph on land portages.

- International Falls to Kettle Falls (Purple Trail) – open, staked, and groomed
- Rainy Lake/Black Bay to Kabetogama Lake to Ash River (Green Trail) – open, staked, and groomed
- Ash River to Crane Lake (Green Trail) – open, staked, and groomed
- Chain of Lakes (Dashed Black Trail) – open, staked, and groomed
- Ash River to Kettle Falls (Yellow Trail) – open, staked, and groomed
- East Namakan Lake to Sand Point Lake (Blue Trail) – open, staked, and groomed.

ESCAPE TO ONTARIO

NORTH WESTERN ONTARIO. COME OUT & PLAY.

Whether you are looking for a weekend getaway or an amazing outdoor adventure, North Western Ontario offers unlimited possibilities.
