Keep busy while waiting for spring

Diane ADAMS

@ YOUR LIBRARY

It's almost April and the library has plenty of activities to keep up from going stir crazy waiting for spring weather. Hopefully April will include rain showers to melt that snow, thaw that ground and bring May flowers — which probably means plenty of indoor time. See what we have to offer.

Monday, March 31, at 6:30 p.m., join us at Backus Auditorium for the documentary movie "Eating Alaska." The hour-long film is a funny yet serious look at what it means to eat locally. The film follows a vegetarian who moves to Alaska and meets hunters and others who encourage her to eat the local food, which includes meat. A brief discussion with refreshments will follow the showing of the film.

Crafty Tuesday continues each week from 3 to 7:30 p.m. with all the supplies needed for a craft project set up in the Junior Room. Join us each week and create something new, check out a book or two, maybe add a movie or check out the K'Nex in the meeting room and build.

During April we are working with Voyageurs National Park to offer four weeks of family programming. Join us April 1 at 6:30 p.m. for Wetland Building Blocks, April 8 at 6:30 p.m. for Bird Migration, April 15 at 6:30 p.m. for Animal Adaptation and celebration National Park Week with the Caterpillar Crawl on Tuesday, April 22 at 6:30 p.m. Each week you will get to meet a different ranger and is recommended for ages 5 and up.

Storytime is Thursday mornings at 10:30 with Stay and Play at 11. Anyone with preschool aged children is welcome to join us for stories, rhymes and song with April stories about birds, wind, rabbits and fish.

Board Game Saturday is April 5 from 10 a.m. to 1 p.m. Join us and play board games. We can help you learn a new game or play an old favorite. The library has lots of games for everyone ages 3 and up. Children under age 8 need to be accompanied by an adult.

The monthly Friends of the Library book sale will be Saturday, April 5, from 11 a.m. to 1 p.m. All sales are by donation with proceeds benefiting the Friends of the Library support of library programming.

Great Decisions, the U.S. foreign policy discussion group will wrap up their year on Tuesday, April 8, at 4 p.m. Come and learn the basics of energy geopolitics and join in a discussion of the issues (or just listen and learn). Anyone in junior high and up is encouraged to come and participate in this valuable group.

Pictures and Pens is wrapping up year two. The final story deadline will be Thursday, April 10, and the second to last photo deadline is Wednesday, April 30. There will be one more photo deadline in May before we start year three beginning in June. Stay tuned for more details and how we will run year three. Check out the library blog at www.ifallslibrary.blogspot.com for the latest writing needing illustrating with a photograph.

PET OF THE WEEK

CONTRIBUTED PHOTO

"Penelope" — "Penny" for short — is a healthy, 4-month-old, Labrador/border collie-like breed. If you are looking for intelligence, compatibility with other animals and children, loyalty, active and sweet — then you have found your pup. Penny is all that and more. We will be looking for an active family that would be active not only with humans, but will include her in on it, too. She will not be good tied up in a back yard or in a small confined kennel as she will be easily bored. She will need exercise and stimulation to ensure that she will grow up to be a well-rounded dog. Apartment-life will not be considered for Penny.

The infant daughter of Mr. and Mrs. Anton Ekman was christened March 24 at services conducted at the John Visto residence on Ninth Street. Names selected for the child were Carol Susan Marie.

William (Dud) O'Connor was honored by fellow workers of the kraft mill at a farewell party. Mr. O'Connor will leave soon to report for Navy duty.

MEMORIAMS

In memory of our dad, grandpa and husband, **Richard "Dick" Pavleck**, who passed away one year ago, March 28, 2013.

God saw you getting tired,
And a cure was not to be;
So He put His arms around you,
And whispered, "Come with Me."
With tearful eyes we watched you slowly fade away,
Although we loved you dearly,
We would not make you stay.
A golden heart stopped beating,
Hard working hands at rest;
God broke our hearts to prove to us,
He only takes the best.
It's lonesome here without you,
We miss you so each day;
Our lives just aren't the same,
Ever since you went away.
When days are sad and lonely,
And everything goes wrong;
We hear you gently whisper,
"Cheer up and carry on."
Each time we see your picture,
You seem to smile and say,
"Don't cry, I'm in God's keeping,
We'll meet again someday."

We love and miss you -
Your family

In loving memory of **Harvey Streiff**, who passed away one year ago.

My Brother

I envied you, big brother,
When I was just a boy;
You raced your sleds and sailboats,
They were your pride and joy.
You loved our family deeply,
For this I know is true;
Your nieces and your nephews,
Would make your day anew.
Strong and tough and healthy,
And soon became so frail;
The illness took you over,
We thought that you'd prevail.
We saw you getting weaker,
Your battle 'til the end;
You smiled each and every day,
Your health would just not mend.
The year has been a tough one,
With many more to come;
I miss you my dear brother,
Until my time is done.

Sadly missed by
John, Tami, Kyla and Dylan
