Want It Done by the End of Year?

The end of the 2013 year is approaching fast. Many of our clients desire to utilize flex money and insurance benefits in the current year; however, waiting until the very end does not allow time to deliver the instruments.

If you desire to purchase hearing aids this year, please give us a call as soon as possible to schedule your appointment. We offer hearing instruments from the four leading manufacturers in the basic models to the high tech premium models. We strive to provide you with the level of technology to meet your communication and lifestyle needs.

Give us a call soon to get your hearing needs addressed before the holiday season and the end of the year. We will be on a lighter schedule during the holidays so that our staff can enjoy the season. It is never too early to book an appointment.
