ASK A TROOPER

## Written warning tickets

**Q:** How long does a written warning ticket stay on your record?

**A:** A paper warning does not go on your driving record. As for citations for speed, according to the Driver and Vehicle Services; Speeding tickets generally stay on record for five years, serious speeds are 10 years.

With that being said, each year, illegal or unsafe speed is a leading contributing factor in Minnesota's fatal crashes — accounting for at least 130 deaths annually, of which 70 percent occur on rural, two-lane roads in Minnesota. Young adult motorists are the most common offenders and

those at greatest risk.

*If you have any questions concerning traffic related laws or issues in Minnesota send your questions to Sgt. Neil Dickenson, Minnesota State Patrol, 1131 Mesaba Ave., Duluth, MN 55811; neil.dickenson@state.mn.us.*
