

# BECAUSE *we* BELIEVE

- In the people, businesses and families of International Falls
- In their proven resourcefulness, shared commitment and deep-rooted work ethic
- And the exciting future of this unique and exceptional community...

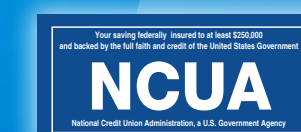

- A 7,920-square-foot expansion over the three stories of our Main Office in International Falls;
- An expansion of the credit union's community charter to include Becker County and areas of northwest St. Louis County;
- The addition of 12 full-time corporate administrative and support positions, all in International Falls;
- Enhancements in the number, scope and value of the credit union's technological services.

*We appreciate the unwavering loyalty of our members and the International Falls community for the past five decades. Your steadfast support has made our growth possible. We stand with those dedicated civic leaders, individuals and businesses who are working to make the second century of International Falls better than the first!*
