RainCheck

Have we got enough water yet?

How would you like a rain check toward better hearing?

For the month of July, you can use the following rain check toward the cost of a complete hearing evaluation (a \$75 value). This offer is not to be confused with getting a "free screening" or a "free consultation". This is a complete evaluation of your hearing. You do not have to mess with getting a physician's referral or insurance filing.

This is a limited time offer that is only good at our Rainy Lake Medical Center office. Call today to get your complete hearing evaluation.
