PET OF THE WEEK

CONTRIBUTED PHOTO

“Tres” is our special needs kitty; she has three legs due to an injury. Despite looking different to you and I, she doesn’t know she is different than other cats. She gets around very easily and is a happy-go-lucky kitty. Tres is doing fabulous in foster care and adapted with ease the stairs and the cat condo and the bed. She has healed not only from her surgery but from her experience as

well. All she knows is love from her new foster mom and dad and siblings. Tres will need to be a strictly indoor kitty and that is just fine with her. Human love is what makes her world go round. Please consider adopting Tres and give her the life she deserves. For more information, visit the website at www.borderlandhumanesociety.org or call 218-324-2313 or 283-9276.

In Loving Memory
of our precious daughter-in-law, Tasha Burnell,
who was so tragically taken from us
one year ago, Sept. 6th, 2012.

Thank you for choosing to come into our family and for choosing our son as your life-mate.

Thank you for bringing into our family the special qualities that only you had, your charm, intelligence, energy, and love.

Thank you for being a confidante, soul-mate, and friend, for the cozy chats and shared laughter and tears.

Thank you for your continued kindness, acceptance, and support -- both intellectually and emotionally.

Thank you for the countless little things you did, you might have thought they went unnoticed, but they didn't.

Thank you for loving our son with the intensity and wisdom of a wife and the gentleness of an angel.

Most of all, thank you for being you.

We couldn't love you more if you were our own child.

We love you and miss you
with all our hearts, Irene & Roger

In Loving Memory
of our precious son, Riley Burnell,
who was so tragically taken from us one year ago Sept. 6th, 2012.

Thank you for being our son, for being the best son ever, and for giving us the pleasure and the honor of having you call us mom and dad.

Thank you for making us feel a love we have never felt before.

Thank you for your beautiful smile that would melt our hearts and light up a room, for your sense of humor, for your infectious laugh, thank you for being so happy.

Thank you for always being so kind and loving to us, we weren't always the perfect parents and you loved us anyway.

Thank you for your hugs, you gave the greatest most loving hugs of anyone we know, Your hugs would fill our hearts.

Thank you for being so kind to others, ever since you could walk and talk, you've watched out for others and paid attention to their lives, giving hugs at the most needed times, offering a kind word or simple gesture of thoughtfulness...it all came so natural to you.

Thank you for loving Tasha and bringing her into our family, you couldn't have chosen a more wonderful wife.

Thank you for being so smart! For knowing what you wanted to accomplish and staying so focused and achieving your goals.

You were a success in all you did. You fulfilled your dream and you were a great cop, so professional, kind, strong and compassionate. We are so proud of you.

We could go on and on but, just thank you for being our son, for being the amazingly kind, polite, loving, smart, confident and fun loving person you were. But most of all, just thank you for being you.

Being your parents and sharing this world with you made us better people.

We want you to know that you were the purpose of our lives.

Out of everything we did...it was you that we did right.

We would thank you from the bottom of our hearts, but for you son, our hearts have no bottom.

Until we're together again, we will treasure our memories.

We love you, and miss you with all our hearts, Mom & Dad
