‘On the Edge’ film festival set

The fourth annual “On the Edge” film festival will be tomorrow, Thursday, Jan. 30, beginning at 7 p.m. at Backus Auditorium. Admission is \$2 along with a donation for the Food Shelf. This year’s line-up is amazing. We have two documentaries – one about a family of runners and the other about a man canoeing from Ely to Atikokan.

Around the documentaries will be five shorts including two by local residents. “Scary Movie Trailer” is by students in an English class at Littlefork-Big Falls High School. The audience will vote to determine their favorites with winners receiving \$75. So come support our local film makers and see the wonderful films available.

Saturday, Feb. 1, from 10 a.m. to 1 p.m., is Board Game Saturday. Come and play board games, new ones, old ones for young and old. We have lots of

games available. Discover a new favorite and spend time playing together as a family.

The Discover Tech Exhibit will continue at the library all month. Bring the family and spend an hour or two exploring and learning. Come discover the basics of programming on Thursday, Feb. 6, at 4 p.m. in the library meeting room. We will repeat the program on Saturday, Feb. 8, at 10 a.m. and include additional information about how to continue learning to program on your own.

This program is for anyone interested in learning to program ages 8 and up (need to be a strong reader). Adults and teens are welcome and encouraged to come and learn the basics of doing your own programming.

Other Discover Tech programs in February include seeing the local robotics teams that went to the Minnesota First Lego League state meet show their stuff on Tuesday, Feb.18, at 3:30 p.m. in the library meeting room. Then on Saturday of that same week, Feb. 22, at 10:30 a.m. we'll have our annual edible car contest. See the library for full details.

Great Decisions meets at the library on Tuesday, Feb. 11, beginning at 4:30 p.m. to discuss defending America on a budget. All are welcome to come learn, discuss and discover together.

Storytime continues on Thursday mornings at 10:30 a.m. followed by playtime beginning about

11. February story themes include music, shapes, color and numbers. Join us each week for about 30 minutes of stories, rhymes and song followed by about 30 minutes of play focused on early science skills.

Friday, Feb. 21, at 4 p.m. in Backus Auditorium, come see Sean Emery perform witty acts of juggling and physical comedy. Fun for the whole family.

Minnesota tax forms have arrived. The latest word from the Federal government is that federal tax forms will arrive mid-February.

Museum passes are back. We have tickets to visit 15 different museums located in the Arrowhead. Stop by the library and see what is available for the next time you head out of town.

The library has received a copy of Minnesota Power’s Great Northern Transmission Line Project Application for a Certificate of Need. It is available for perusal in the library.

PET OF THE WEEK

CONTRIBUTED PHOTO

Hi, my name is “BeBe.” I am a very affectionate girl who loves to be held. One of my favorite things to do with my people friends is snuggle. I love it when they pick me up and I nestle my head into their chest or hair. I love to feel the warmth of their bodies and listen to their hearts beat, it is such a relaxing feeling for me. I get along well with other cats and don’t even mind dogs. Now that I am done raising my children,

I am looking to start a new chapter in my book. This new chapter will contain adventure and a lot of love. I am looking for my forever home. If you are looking for an affectionate companion who will keep you warm during the cold winter days and night, here I am. — Always yours, *BeBe*

MEMORIAM

In memory of **Erna Mae Meyers**, who left us five years ago, Jan. 26.

Wishes for Auntie Ernie

*When you meet those 7 Spanish Angels,
Please give each one a kiss from me;
I hope your time in Heaven,
Is exactly how you imagined it to be.
May the casinos be free,
And the pull tabs “a-plenty.”
May the sturgeon be floppin’,
And your canning jars a poppin’.
May you never again have to do your nails or hair,
And may you once again get to meet that little black bear.
Give all our past loved ones kisses and hugs,
And don’t forget to drink plenty of beer mugs.
May everyone understand your Swedish nursery rhymes,
And may your heart always be filled with happy times.
You may be gone in sight,
But you will be with us forever.
May your “Moon glow,”
And may you Waltz Across Texas in Heaven.*

**Forever in our hearts,
Your family**

Decker's Family Care

RANIER ROOST/PAPERMAKER'S PLACE

Now offering: Residential A.D.O.R.E. Dementia Program

2013 Large Business of the Year Award

Respite / Rehab Stay / Hourly Rates

Here at Decker's Family Care... WE DO! We know how difficult and challenging it can be to care for a loved one at home 24 hrs a day. We offer **Respite** or Temporary stay services as well as **Hourly Rates**. We would love to help care for your loved one in our safe comforting facilities whether you need a weekend away, family emergency, or even just go out for dinner and a movie. We can help you take that much needed and deserved time to get "recharged". We've also partnered with other local agencies to give you **Rehab** Services. Residential skilled nursing cares can be performed by us, and you have the RIGHT to have Physical and/or Occupational Therapy in our facility if you qualify.

A.D.O.R.E Dementia and Alzheimer's Program

Decker's Family Care is proud to present specific programs and safe quality care for those individuals diagnosed with dementia and/or Alzheimer's like diseases under our **A.D.O.R.E. Program**. One of a kind program to the International Falls and surrounding area. Compare our credentials and staff training. I believe you will find we are one of the most highly trained dementia care staff in our community, one of the lowest staff to resident ratios, and we highly exceed MN statute requirements for prerequisites for even advertising Memory Care or Dementia Care services. *Smaller quieter settings with meaningful programs* is what is needed for individuals suffering with dementia. Not general integration and large vast settings. *Make an appointment NOW for a FREE Memory Screening with our Professional Staff!*
