Located in Roseau, Minnesota, BB Diversified Services Ltd. is the premier supplier of snowmobile slide rails worldwide. We also pride ourselves on being a preeminent supplier of precise and cost effective machined and value-added components while offering superior customer service and flexibility.

We are actively seeking to fill the following positions:

CNC Operators
Candidates with experience working with CNC machines are preferred, though entry-level candidates will also be considered.

CNC Machinist/Setup Technician
Previous CNC setup experience is a must. The ability to follow procedures and good documentation/organization skills are critical.

Facility Maintenance Technician
Duties include, but are not limited to, maintaining and servicing CNC machining centers, refrigeration and air conditioning units, commercial pumps and electrical motors; installing and replacing plumbing, power circuits, conduits, and lighting; and maintaining work vehicle and tools. Experience with troubleshooting air tools and pneumatic systems are a plus.

CNC Machinist/Programmer
We are seeking an experienced CNC Programmer/Machinist. Job Description: Programming and operating CNC mill and lathe in order to produce high quality components to be used in our performance products, as well as manual lathe and mill operation when needed.

Pay will be based on current market rates and depends on experience.

If you feel you are a match for any of these positions, please ensure that you meet the requirements in this posting and have at least three references, please respond by sending resume and salary requirements.
