

March Is Minnesota FoodShare Month

Falls Hunger Coalition has set our overall combined pounds and dollars at 50,000. The more we raise locally the more our share of the FoodShare Fund we will receive.

Allen Feinstein also encourages food shelves in Minnesota to participate in a program called 'Feinstein Challenge'. The dates for this are all of March as well as April. The more we raise the more of the challenge fund we receive. This Foundation gives away \$1,000,000 total.

Falls Hunger Coalition

"Neighbors helping neighbors."
Since 1988

The combined total of food and money we collect locally determines our share of FoodShare money raised at the state level. And, as always, every donated food item and dollar stays right here in Koochiching County to help our friends and neighbors in need.

Here at the Food Shelf we are working to make this the most successful FoodShare campaign in our history and have set our local goal at 50,000, a combined total of pounds and dollars. (The totals are calculated with \$1 equal to 1 pound.)

The success of our campaign, however, is ultimately dependent on the generosity of concerned and caring individuals, businesses, organizations, churches, clubs, and groups. Please consider having a March food drive and/or fundraiser to benefit Falls Hunger Coalition and those in need in our community. We look forward to the opportunity of working with you in any way we can to make your choice a success. Please call us at **283-8020** if you would like further information or if we can help in any way.

We are counting on you!
