OBITUARIES

The Journal publishes paid obituaries in Wednesday and Saturday editions and on its Web site at www.ifallsjournal.com.

Obituaries must be submitted by 10 a.m. Tuesdays to be published in the Wednesday edition, and by 10 a.m. Thursday to be in the Saturday edition.

All obituaries must be prepaid before they are published.

Obituaries can be faxed to the Journal at 285-7206; e-mailed to tammiec@ifallsjournal.com; or mailed to The Journal at 1602 Highway 71, International Falls, MN 56649.

We encourage electronic delivery of obituaries and any accompanying photos.

If desired, The Journal will e-mail or fax a proof of the obituary to the funeral home handling the service.

For more information, call Tammie Calder at 285-7411.

Juanita Oveson Leolich, 77

Juanita Oveson Leolich, 77, of International Falls, Minn., passed away Saturday, Oct. 5, 2013, after a long struggle with COPD.

Juanita was born in Ranier, Minn., to Clarence and Nellie (Mills) on Dec. 29, 1935.

She was a resident in the area all her life except for a short time in Minneapolis, Minn., and Alaska.

She attended Ranier and International Falls schools, graduating in 1954.

Following graduation, she was hired by Mando and retired from Boise Cascade after 38 years of continuous employment in 1994 as an

executive assistant.

She enjoyed all that God had created. Nature of all kinds fascinated her, especially while at the cabin in Saginaw Bay. There was even a rock bass that would nibble her toes and bear and deer would stop and listen when she talked to them.

Besides wildlife, her interests included crafts of all kinds. She loved a challenge and would create many things from sewing, taxidermy, to woodworking. She made many items for friends and relatives.

Preceding her in death were her parents and husband, Steve Leolich.

Survivors include her son, Guy (Betty) Leolich; granddaughter, Alicia (Craig Selander) Leolich; brother, Duane (Beverly) Oveson; sister, Jaqlynnne Valerius; significant other and caregiver, Robert Sullivan; and many loving nieces, nephews, long-time friends and neighbors.

A memorial service will be conducted at 11 a.m. Saturday, Oct. 12, at Green-Larsen Mortuary.

In lieu of flowers, in memoriam donations are preferred to Borderland Humane Society, Falls High School Alumni, or the donor's choice.

Condolences may be left at www.greenlarsen.com.

Arrangements are with Green-Larsen Mortuary Inc., International Falls.

New MNsure health insurance options available

MNSURE REPORT

As of Oct. 1, Minnesotans have a new resource to find health insurance coverage that fits their needs and budget.

MNsure is a marketplace where individuals, families and small businesses can find, compare, choose and get quality health care coverage. MNsure plans will offer health insurance coverage beginning Jan. 1 and individuals, families, and small businesses have until March 31 to enroll in plans for 2014.

Trained specialists are

available at 1-855-3MN-SURE to answer any questions about Mnsure.

For Minnesotans who are looking for better coverage options, MNsure provides a one-stop shopping experience to search a broad range of plans from well-known insurance companies. Minnesotans who have affordable coverage through an employer or are covered by Medicare will continue with their current coverage and won't use Mnsure.

At MNsure, Minnesotans can answer basic questions on one application to find out if they

qualify for a low cost or free plan such as Medical Assistance or Minnesota Care, or if they qualify for federal tax credits that lower the cost of health insurance. Then they can then enroll in their health plan of choice. The information on the website describes each option in plain language and allows side-by-side comparisons.

Until MNsure, many Minnesotans have struggled with getting health insurance that works for them — especially retirees and people who have a history of health problems. MNsure will provide real

relief to these individuals and families. In MNsure plans, there are no longer exclusions or waiting periods for individuals with pre-existing health conditions. Individuals can no longer be denied coverage or be charged a higher premium for coverage based on their medical history. Plans also will not have annual or lifetime limits on coverage.

Every MNsure plan will cover essential health benefits including preventive services like mammograms and colonoscopies. Hospitalization, emergency services, prescription drugs, laboratory services,

and mental/behavioral health services are also included. For women, all plans will cover maternity care with no waiting periods. Children will receive oral and vision care.

MNsure plans also provide flexibility, choice, and cost control for small businesses. Small businesses with two to 50 employees can participate in MNsure if they offer coverage to all full-time employees. The business can choose how much they want to contribute toward employees' premiums and what plans will be offered. Businesses with fewer than 25 em-

ployees and employees at certain income levels that purchase through MNsure may be eligible for tax credits to help pay for coverage.

Help is available to assist Minnesotans who are interested in getting coverage through MNsure. Plans can be purchased online at MNsure.org. For people who would like to in-person assistance, trained brokers and representatives at community organizations will be available. Help is also available over the phone through the MNsure Contact Center, 1-855-3MN-SURE or 1-855-366-7873.
