BACK TO SCHOOL

Back to germs

Essentia Health-International Falls Clinic is ready to help.

Back-to-school means more than homework and seeing friends. It means sharing germs that have been on break during the summer, too.

The Essentia Health-International Falls Clinic cares for all patients and conditions. Whether you have a sore throat, runny nose or whatever is keeping you under the weather, we are here with you.

Let us help keep your family healthy.

Same day appointments available, call 218.283.9431.

INDUS HOMECOMING ROYALTY

Indus School 2014 homecoming royalty include: sophomore attendants, Autumn Myers and Holger Olesen; senior queen and king, Samantha Hervey and Nathan Lewis; junior prince and princess, Danny Patch and Patricia Handorgan.

Indus celebrates early homecoming

INDUS SCHOOL REPORT

Homecoming came early to Indus this fall, with the Lady Trojans volleyball team playing three home games during the week of Sept. 15-19, after a home game win against Northome-Kelliher on Sept. 11. Indus cross country runners also had two meets at Bagley-Fosston and Milaca during the week. Students celebrated the Homecoming Week with Spirit Days, which were: Hat Day, Duct Tape Day, Spirit Day, Camouflage Day, and Pajama Day. A pepfest and coronation took place Tuesday, sponsored by the sophomore class. Teams were introduced by principal Michael Underwood and coach Tom Van Damme, and the school band played. Holger Olesen, Bert Dahl, and Chanaya Wheelock introduced the homecoming candidates and conducted the coronation ceremony. During the pepfest, students in all grades participated in plunger/scooter races, human bowling, tug-o-war, and volleyball games. Students cheered on the girls' volleyball team Thursday, and then participated in a homecoming dance and group games.

Sophomore Bert Dahl prepares to start the pepfest/coronation as one of the emcees.

Sophomore Holger Olesen gets ready to start a "plunger/scooter" race with elementary students.

Beating the flu can be easy. Give it a shot!

Flu Vaccinations

Who needs a vaccine? Everyone 6 months of age or older. Remember to wear short sleeves when you come in for your shot. Flu vaccines are covered by Medicare, Medicaid and most private insurance. The best way to protect yourself and your family against the flu is to get vaccinated. The vaccine can be given by a shot or by a nasal spray called FluMist®. The flu shot is approved for use in people older than 6 months, including healthy people and people with chronic medical conditions. FluMist® is approved for use in healthy people 2 to 49 years of age who are not pregnant.
