STAFF PHOTOS BY KEVIN BONESKE

## BASKETBALL

► continued from B1

2-point field goals before the Broncos went on a 10-0 scoring run, which included two 3-point baskets and a layup by senior guard Cody Hallin, who ended up with 12 points.

The half ended with the Falls in front, 34-24.

The Broncos began to pull away from Deer River early in the second half, which included 10 points in the first 4 minutes coming from Humbert, who found scoring opportunities inside.

"I think the inside game has to be our key all year," Dowty said. "We've got a lot of big guys - some that are very aggressive on the glass and can score down low."

"A lot of emphasis goes on Ben Humbert. The other teams focus on him, which leaves our other guys to get some openings down there. We're really trying to work on the boards - trying to set those second- and third-chance points - and I thought we did a really good job of that (Friday night)."

Of Falls' 40 rebounds, 26 were on offense. Shooting from the field, the Broncos went 26-65 (40 percent) overall, but only 2-11 (18 percent) from 3-point range.

The Falls pulled in front

by 25 points with more than 10 minutes left in the game and had several reserve players see action before the final buzzer.

Deer River, which was led in scoring by Ben Eby with 18 points, had some players sitting out of the game. Dowty said he expects the Warriors would be a different team in the event they once again play the Broncos in the playoffs.

"They had a couple of guys out (Friday night), so they're going to be a different ball club," he said. "I know they had at least one starter on the bench, but we're very inexperienced, so hopefully by then we'll be a much better ball club as well. So, it should be a good matchup if we meet again."

The Falls returned to action Tuesday night at Cloquet.
