The Falls' season record now stands at 11-1 in the Iron Range League and 20-3-1 overall going into Monday's road doubleheader at Eveleth, the only team to have defeated the Falls in a league game this summer.

"It will be a good rematch for us," Koenig said. "We're looking forward to it.... Hopefully we'll come out and play one of our sharpest games of the year."

The Falls split a doubleheader with Eveleth earlier this summer.

In a Little While

In a while their last breath left them, And their spirits fled away
To a land where all is brightness, To a land where all is day.

They are talking now with Jesus, In a land of pure delight,
Where no tears are ever flowing, And where Jesus is the Light.

In a while we'll all be over, In that land where angels sing;
In that land where fears are ended; In the land where Christ is King.

Miss you both, Rita
