HAVE YOU EVER THOUGHT OF BECOMING A FOSTER CARE PARENT?

Koochiching County needs more foster homes in order to keep children in the county. Without enough licensed foster care homes, children are sent outside Koochiching County, which makes it challenging for staff to work toward the ultimate goal of family reunification.

A friend to be made.

For us, rehab/skilled care is more than providing care 24 hours a day. It's giving hope and helping overcome fear. It's having someone to talk to and relating to people as people, not patients.
