

Celebration of Life

Please join us at
Lenards/Americinn
to celebrate the life of

Mona Anderson

Sunday, May 24th
2pm-6pm

To share stories,
memories and laughter
as Mona wished that
we would remember her by.

Young Einsteins

Sixth-grade students hosted a science fair for family, friends and members of the community Tuesday. Displays with results of projects were available for people to view as well as hear about the experiments performed.

Sixth-grade teacher Deana Lorenson said it has been several years since a science fair has been held. She said she was really pleased with the results of the students' experiments because for the most part, they were all done outside of the classroom.

STAFF PHOTOS BY EMILY GEDDE

Fourth-grade students gather around a display as they listen to the sixth-grade students discuss their experiment.

"Your Health and Happiness Headquarters"

Jake Slatinski holds a duck while his classmate, Ashton Hielscher, offers the bird some attention. Slatinski said his experiment was a duck obstacle course.

Ella Bahr, left, and Maddy Pierre, stand next to a display highlighting their project that involved seeing what kind of salt melts ice the fastest.

HAPPY BIRTHDAY

Audrey

on **May 22nd**

Celebrating her
9th Birthday in Heaven.

Strength in teamwork.

No matter what the need. No matter what the call. You are there as part of an extraordinary team with a single unifying mission—to care for others in their time of need.

Thank you to every emergency medical professional and volunteer for your commitment, your dedication and for letting us be a part of your team.
