Boise Paper employees award safety funds

Process center employees presented \$2,625 in safety funds to food
pantries and capital improvement projects in Koochiching County in July.

Boise Paper, A Division of Packaging Corporation of America, donated
the funds in recognition of employee safety participation. Employees
distributed the monies evenly to the Backus Community Center,
Borderland Humane Society, City Beach Playground Project, and the Falls
Hunger Coalition and Salvation Army food pantries.

"I extend my congratulations to the organizations, as well as the process
center employees who continue to demonstrate their commitment to
a safe workplace," says Bert Brown, International Falls mill manager.
"In addition to working over 1,090 days without a safety incident, 100
percent of process center employees consistently participate in the mill
safety improvement effort."

For the past several years, monies have been set aside to assist
organizations in Koochiching County based on employee safety
participation. Those interested in learning more information about the
program are encouraged to call 218.285.5312.
