MEMORIALS

In loving memory of **Chuck Radford**, who passed away 18 years ago, Sept. 11, and **Doug Radford**, who passed away five years ago, Sept. 10.

*What we would give their hands to clasp,
Their patience faces to see;
To hear their voices and to see their smiles,
As in days that used to be.
But some sweet day we'll meet again,
Beyond the toil and strife;
And clasp each others' hands once more,
In Heaven, that happy life.*

**Sadly missed and lovingly
remembered by your family**

In loving memory of our father and grandpa, **Carl Berg Sr.**, who passed away four years ago, Sept. 8, 2009.

*A face that is always on our mind,
A smile we have seen a million times;
Two eyes that would light up the sky at night,
One last battle you could not fight.
The day was long, then night, then morn,
We knew that soon you would be gone.
We clasped your hand so warm in ours,
Soon we would be out of time.
To stay with us you fought so hard,
A million pieces went with our heart.
Now, photos we look at to see your smile,
We keep your number on our speed dial.
A video we watch to hear your voice,
This we do, we have no choice.
But great memories we will always keep with us,
Your love in our heart for eternity.
We never got to say goodbye,
To understand why, we can but try.
Waiting in heaven from this moment on,
Til God asks you to bring us home.*

PET OF THE WEEK

Hi, yes, you read my name correctly, they named me "Yarn." Can you believe that — that is a strange name, but I guess it is kinda fitting. I like to weave in and out of people's legs. I am a petite girl who loves to be held and hang out in the window. I love a fresh breeze in my face. I don't have a desire to go back outside, but I do like the feeling of the fur on my face gently moving from a sweet, summer breeze. I,

like many of the cats at the holding facility, love my catnip. A girl has to have her guilty pleasures, right? I am a very good, loving girl. I was a great mommy and I am a great friend. If you are looking for a special friend to share your life with, please consider adopting me. — Always, Yarn
