WITH A PURPOSE

The painting in the front window of Corrin's Plumbing and Heating will be lit up at night.

Northland Art Society artists said it was challenging to work on a large window painting, as opposed to a smaller canvas.

The painting in the front window of Corrin's Plumbing and Heating took place over two days last week.

I would like to say Thank you for all who supported me during the election. It has been an honor and a privilege to serve the residents of Koochiching County and International Falls. Even though it didn't turn out the way I hoped, my career in Law Enforcement has been an experience I will never forget. From the simple call of a barking dog to investigating a murder, I have been involved with everything.

I wish the best for Sheriff Hedlund and hope all goes well. I will continue to be your Sheriff until Dec. 31st. Thanks for allowing me to serve the community for the last 27 years.
