Boise Paper employees award safety funds

Process center employees presented \$2,750 in safety funds to independent health and hunger services in Koochiching County in June.

Boise Paper, A Division of Packaging Corporation of America, donated the funds in recognition of employee safety participation. Employees distribute monies evenly to the American Cancer Society, Community Cancer Walk, NorthStar Hospice, and the Falls Hunger Coalition and Salvation Army food pantries.

"In addition to the deserving organizations, I extend my congratulations to process center employees for giving safety the priority it deserves," says Bert Brown, International Falls mill manager. "Their diligence has resulted in 100 percent safety achievement month after month and over 1,050 days without a safety incident."

For the past several years, monies have been set aside to assist organizations in Koochiching County based on employee safety participation. Those interested in learning more information about the program are encouraged to call 218.285.5312.

Pictured L-R: Northstar Hospice director Polly Hebig, process center employee Terry Schultz, American Cancer Society representative Jim Stavseth, process center employee Howie Arch, Community Cancer Walk representative Wendy Mayer, and process center employee Arlan Gunnerson.
