

# LCCMR seeks proposals for projects with \$44 million in funding

## Funding comes from Environment and Natural Resources Trust Fund

### LCCMR REPORT

The Legislative-Citizen Commission on Minnesota Resources has issued its request for proposal for funding from Minnesota’s Environment and Natural Resources Trust Fund beginning July 1, 2015.

The Trust Fund represents the money that, since its inception in 1991, has been generated by the Minnesota State Lottery to provide a constitutionally

dedicated funding source for protection of the state’s unique natural resources. Approximately \$44 million is expected to be available for projects being sought in environment and natural resource areas that will provide multiple ecological and other public benefits. Proposals responding to the 2015 RFP are due March 28, 2014.

Proposals are being requested in the following seven areas:

1. Foundational Natural Resource Data and Information
  2. Water Resources
  3. Environmental Education
  4. Aquatic and Terrestrial Invasive Species
  5. Air Quality, Climate Change, and Renewable Energy
  6. Methods to Protect, Restore, and Enhance Land, Water, and Habitat
  7. Land Acquisition for Habitat and Recreation
- The 2015 RFP contains detailed instructions for submitting a proposal to the LCCMR as well as additional

explanation of the LCCMR’s proposal and funding process. Anyone with a project idea consistent with the RFP may submit a proposal for consideration by the LCCMR. LCCMR staff are available to review proposal drafts and assist in proposal development. Lobbying or professional grant-writing experience is not necessary for success.

Issuance of this RFP begins the competitive, multi-step process through which the LCCMR selects projects to recommend to the Minnesota Legislature for funding from the Environ-

ment and Natural Resources Trust Fund. During June and July, 2014, the LCCMR will consider all proposals received in response to the 2015 RFP and make final selection of projects to include in its recommendations to the legislature for the 2015 session. Funded projects can begin July 1, 2015.

The Environment and Natural Resources Trust Fund is a permanent dedicated fund in the Minnesota state treasury that was established by 77 percent voter approval of a constitutional amendment in 1988. The amendment

directs forty percent of the net proceeds of the Minnesota State Lottery, or approximately seven cents of every dollar spent on playing the lottery, into the Trust Fund. The Trust Fund is intended to provide a long-term, stable source of funding for innovative and far-sighted activities that protect and enhance Minnesota’s environment and natural resources for the benefit of current citizens and future generations.
