Mechanical Maintenance Craftsman

UPM Blandin Paper, a member of the UPM-Kymmene Group and a leader in coated publication paper production, seeks Mechanical Maintenance Craftsman to perform daily maintenance and repair of mill equipment to support mill maintenance and operations.

To qualify, you must be a journeyman maintenance craftsman (millwright) licensed if applicable; first class journeyman card with at least two years of industrial experience; a two year technical diploma in Industrial Mechanical Technology is preferred. You must exhibit safe work practices.

Preferred candidates will have the following mechanical skills: basic welding certification, alignment capability, bearing installation skills, understanding of pumps, working knowledge of fluid power systems (hydraulics/pneumatics), and familiarity with lubrication.

All applicants must have proficiency at MS Office and demonstrate written and verbal communications effectively, including giving presentations. Our selected candidate will be a flexible, approachable team player with a "can-do" attitude, have an interest in career advancement, and possess strong abilities to prioritize and coordinate the work agenda. Paper mill experience is a plus. You must be able to qualify physically for the position within 30 days.

UPM Blandin Paper offers competitive compensation and full company benefits; desirable weekday schedule of four ten hour days. If you believe you qualify for this position, please email your cover letter and resume to bla_blandinhr@upm.com.
