RRCC Student Senate announced

RRCC STAFF REPORT

The Rainy River Community College Student Senate, members of the Minnesota State College Student Association, is the official recognized voice of students and therefore makes the group an important organization.

Student Senate officers at RRCC include Jaime Sjoblom, Makayla Boyer, Anja Silvers, Selene McBride and advisor Brad Krasaway.

Student Senate has the responsibility to appoint student representatives to each committee on campus and represent the students in public. In addition, they also participate in community service projects, organize on-campus activities, attend statewide student association meetings, and manage over \$65,000 in Student Life funds.

According to Minnesota State Colleges and University Board Policy, "The institution shall recognize the campus student association as the official representative of the students."

- Potentially host the 3rd annual Northern Voices Political Forum
- Compete with 32 other colleges to register the

most voters

- Fundraise for the Leukemia and Lymphoma Foundation in the "Pennies for Patients" campaign
- Encourage all Student Senators to attend an MSC-SA conference

- Achieve "STAR Campus" status through MSCSA

Minnesota Education Fair set at RRCC gymnasium

RRCC STAFF REPORT

A Minnesota Education Fair for all high school students and their parents will be conducted from 9 to 10:30 a.m. Monday at the Rainy River Community College gymnasium.

The fair provides students and parents an opportunity to explore a variety of options for continued education, technical training or

military service after high school.

Representatives from nearly 100 educational institutions and other organizations will be available to answer questions and provide important information for post-high school planning.

Structured like a trade show, students and parents are free to look at various displays and speak to those schools, colleges, and orga-

nizations that interest them.

Save time at the college fair by registering information ahead of time. Visit www.gotocollegefairs.com, enter information, print out the barcode, and bring to the fair. Colleges the student is interested in will scan the code, and students do not have to fill out all the information cards.

Sponsored by the Minnesota Association for College

Admission Counseling, the same group that hosts the National College Fair in the Twin Cities each fall, this program offers an opportunity for high school students to begin planning for life after graduation.

Admission is free.

Students should contact a high school counselor for more information or recruiter Molly Franz at 285-2236 or molly.franz@rainyriver.edu.
