Two injured in Fort Frances multiple vehicle accident

ONTARIO PROVINCIAL POLICE REPORT

Officers of the Rainy River District Detachment of the Ontario Provincial Police, Rainy River District Emergency Medical Services and Fort Frances Fire and Rescue Service responded to a multiple motor vehicle collision Tuesday on Portage Avenue in Fort Frances at approximately 1:50 p.m.

A 65-year-old male driver was driving his Ford 150 pickup truck southbound on Portage Avenue when he went into medical distress. As his vehicle traveled south under the underpass approaching Third Street East his truck went up onto the west curb and struck a road sign as it approached Second Street East. The truck continued on the sidewalk approaching the Second Street intersection and collided with a southbound pickup truck stopped at the red light causing light damage. The Ford pickup truck continued south through the red light remaining

partly on the sidewalk.

Three people walking south on the west sidewalk of Portage Avenue were able to jump out of the way of the truck. The truck continued south in the northbound lane of Portage Avenue through the intersection at First Street East and struck an unoccupied SUV which was parked south of First Street intersection on the east side of Portage Avenue. The Ford pickup continued south along the east curb of Portage Avenue and struck a parked van. A female sitting in the passenger seat of the van received minor injuries.

The driver of the Ford pickup truck was removed from his vehicle with the assistance of Rainy River District Emergency Medical Services and Fort Frances Fire and Rescue. Both the driver of the Ford pickup truck and female passenger of the van received minor injuries and were transported to Fort Frances hospital for medical treatment.
