

# EARTH DAY

## APRIL 22ND

Teach your Kids/Grandkids  
About Recycling & Saving our Planet

The Firefighters' Burned Children Fund was organized by firefighters concerned about child burn victims across the state. The collected aluminum cans are recycled, and the proceeds go towards various initiatives, including burn awareness and prevention programs, and assisting burn centers and medical facilities.

Jamie Logan, Miss Cabarrus County 2025

Bring your aluminum cans to one of our Locations
