

Concord zip codes turn up silver for residents

Sealed Vault Bags full of state silver bars are actually being handed over to the first North Carolina residents who find their zip code listed in today's publication and call before the 48 hour order deadline ends to claim the bags full of pure silver

NATIONWIDE – Operators at the National Silver Hotline are struggling to keep up with all the calls.

That's because Silver Vault Bags loaded with pure .999 State Silver Bars are now being handed over to everyone who beats the 2-day order deadline.

"That's why North Carolina residents will be hoarding all the silver bars they can get their hands on for the next 2 days. This comes as no surprise after the standard State Minimum set by the Federated Mint dropped to the lowest ever for everyone who gets the Silver Vault Bags making them a real steal," said Mary Ellen Withrow, the emeritus 40th Treasurer of the United States of America.

"As executive advisor to the private Federated Mint, I get paid to deliver breaking news. And here's the best part. This is great news for North Carolina residents because it's the lowest ever State Minimum set by the Federated Mint," said Withrow.

The only thing residents need to do is find their zip code on the Distribution List printed in today's publication. If their zip code is on the list, they just need to call the National Silver Hotline before the 2-day order deadline ends.

And here's the good news. Residents who do are getting the lowest ever State Minimum set by the Federated Mint of just \$290 for each North Carolina Silver Vault Bag which is just \$29 per bar as long as they call the National Silver Hotline at; 1-800-280-2754 EXT. FMM4326 before the deadline ends.

Phone lines open at precisely 8:30 A.M. this morning and are expected to be flooded by North Carolina residents looking to cash in on the lowest ever State Minimum set by the Federated Mint to date. That's why Concord area residents who find their zip code on the distribution list today are being urged to call.

Since this special advertising announcement can't stop anyone from buying up all the new 2020 Edition North Carolina State Silver Bars they can get their hands on, the Federated Mint has not set a limit of how many Jumbo Silver Ballistic Bags residents can get – these are the bags pictured above that contain 10 individual Silver Vault Bags each. Everyone who gets these will be glad they did.

"Residents who want to cash in on the lowest ever State Minimum set by the private Federated Mint better hurry. That's because after the deadline ends, the State Minimum for these pristine half ounce North Carolina State Silver Bars set by the Federated Mint will go up to \$50 per bar no matter how many bars people get," Withrow said.

"We're bracing for all the calls and we're doing the best we can, but with just hours left before the deadline ends, residents who find their zip code listed in today's publication need to call the National Silver Hotline," Withrow said. ■

■ **SILVER HITS ROCK BOTTOM:** It's good news for state residents who get the Silver Vault Bags each loaded with 10 solid .999 pure Silver State Bars. That's because residents are getting the lowest ever State Minimum set by the private Federated Mint as long as they call before the deadline ends.

In fact, we won't be surprised if thousands of residents order up as many Silver Vault Bags as they can get their hands on before the deadline ends. That's because the State Minimum set by the Federated Mint has been slashed to the lowest ever at just \$29 for each silver half ounce bar for the next 2 days for everyone who gets the vault bags. And since each Silver Vault Bag contains 10 pristine State Silver Bars for just \$290 we're guessing state residents will be claiming two or more bags while they're up for grabs. But all those who really want to cash in are taking the Jumbo Silver Ballistic Bags containing 100 State Silver Bars before the deadline ends and the State Minimum set by the Federated Mint goes up to \$500 per Vault Bag. So if lines are busy keep trying.

► **How much are the Silver Vault Bags worth:** It's hard to tell how much these Silver Vault Bags could be worth since they are in pristine condition, but those who get in on this now will be glad they did. So you better believe that at just \$290 the Silver Vault bags are a real steal for everyone who beats the deadline.

► **Can I buy one State Silver Bar:** Yes. But, the lowest ever State Minimum set by the Federated Mint of just \$29 per bar applies only to residents who purchase a Silver Vault Bag(s). That means only those residents who order a Silver Vault Bag(s) or a Jumbo Silver Ballistic Bag get the lowest ever State Minimum set by the Federated Mint. All single bar purchases, orders placed after the 2-day deadline and all non-state residents must pay the \$50 per silver half ounce bar.
