

—| **MOVE MORE. LAUGH OFTEN.** |—

Live Fully at Taylor Glen.

At Taylor Glen, wellness isn't a program—it's a way of life on our 124-acre Concord campus. Start your morning with water aerobics or yoga, take a walk by the lake, or stop by the fitness area for strength and balance work. You choose the pace; we provide the opportunities and support.

You'll also enjoy a full calendar of social, educational, and spiritual activities that keep life engaging and fun. And with maintenance-free living and on-site healthcare if needs change, you can focus on feeling your best today and confident about tomorrow.
