

Unclaimed Capital Credit Checks

Union Power Cooperative is searching for members and former members who have outstanding capital credit checks. In September 2022, the co-op retired \$3.7 million worth of capital credits to eligible members. Payments were either applied on account or were mailed to the last known address associated with the member's account.

Any checks that were returned or marked undeliverable by the U.S. Postal Service are listed on our website. To see if your name is listed, visit **[union-power.com/member-resources-services/capital-credits](https://www.union-power.com/member-resources-services/capital-credits)**, then type your name into the search bar. If your name is listed or if you have questions, please call 704-289-3145 to speak with a customer service representative.

Union Power would like to return all outstanding capital credit checks to their rightful owners. Remind your family, friends, and former neighbors to check for their names, too, as they may have moved away from the service area without leaving a forwarding address.

It is the duty of Union Power Cooperative to return all unclaimed capital credit checks to the State of North Carolina or to the state of last known address, if different.

Union Power Cooperative is a not-for-profit, member-owned cooperative, which provides electricity and energy-related services to more than 84,000 member accounts throughout Union, Stanly, Cabarrus, Mecklenburg, and Rowan counties.

This institution is an equal opportunity provider and employer.
