Too Much Information

Email! Voicemail! Texting! Social Networking! Because our world is increasingly frantic, we need all the help we can get. We need to regain some control. In both mundane and significant matters, ask God to take control, for, "...to set the mind on the Spirit is life and peace." (Romans 8.6) The peace and strength you receive from Him will bring some order into your life. Pray with Him this week at your house of worship; the time you spend in God's House will be returned in good measure.
