ASTROGRAPH

Your Birthday

SUNDAY, NOVEMBER 8, 2026

By Eugenia Last

Happy Birthday: Keep your thoughts on track. Refuse to let anyone bait you into saying something you will regret. Your emotions will be close to the surface, leaving you vulnerable to criticism. Look inward, be patient and concentrate on self-esteem and how you look and feel. Do your best to notice the opportunities that help you prosper. Personal growth will be yours this year if you can ignore negativity and criticism.

SCORPIO (Oct. 24-Nov. 22) — Avoid emotional conversations and dealing with people who don't share your beliefs. Concentrate on being the best version of yourself and on unique ways you can have a positive impact on those you care about.

SAGITTARIUS (Nov. 23-Dec. 21) — Concentrate on what's available to you, and make your life better. Learn something new, and apply your skills in exciting ways. You have plenty to gain if you take the initiative.

CAPRICORN (Dec. 22-Jan. 19) — Refuse to let others dictate how you spend your time or money. Don't tag along to something that doesn't interest you. Pay attention to the people and projects you feel passionate about.

AQUARIUS (Jan. 20-Feb. 19) — Pay attention to your needs and to your happiness. Refuse to let others interfere with your plans. Sign up for courses, events or activities that spark your interest or that help you become the best version of yourself.

PISCES (Feb. 20-March 20) — Strive for greater security and pattern your lifestyle after a plan that helps you feel comfortable. Invest wisely, and structure a healthy lifestyle that connects you with those who are on a similar path.

ARIES (March 21-April 19) — Take a moment to consider what's next; do something that is purposeful and makes you feel good about yourself. Reach out, volunteer and see what excites you the most.

TAURUS (April 20-May 20) — Look at every angle, address issues of concern and stick to the facts. Overreacting will be your downfall. If you let situations escalate, you will face a fierce opponent.

GEMINI (May 21-June 20) — Someone you help or work alongside will have an impact on what you choose to do in life. A change that leads to learning, greater awareness and positive lifestyle changes will also lead to gratitude and happiness.

CANCER (June 21-July 22) — Address issues that have to do with your schedule, routine or contentment. Take a step forward, and reach out to those who are immersed in pastimes that interest you.

LEO (July 23-Aug. 22) — Take a moment, assess your situation and consider your options. Any form of embellishment will come back to haunt you. Stick to the facts and offer what's appropriate.

VIRGO (Aug. 23-Sept. 22) — Set boundaries and high standards, and carry on. The best way to make the most of your time and experiences is to share your intentions, follow your heart and give those around you the same consideration.

LIBRA (Sept. 23-Oct. 23) — Do what you do best. Express your ideas, and drum up interest in what you want to do next. Doors will open, and a chance to turn your dream into something tangible will sprout.

START AT TRICK ONE TO REACH TRICK 13

Bill Bryson writes humorous books on travel and science. He said, "I always tell people there's only one trick to writing: You have to write something that people are willing to pay money to read. It doesn't have to be very good, necessarily, but somebody, somewhere, has got to be willing to pay money for it."

In bridge, there is only one trick to winning: You have to find a line of declarer play or defense that works. It does not have to be mathematically very good, but something that succeeds. However, if you constantly make second-best plays, you will lose in the long run. So try to play accurately.

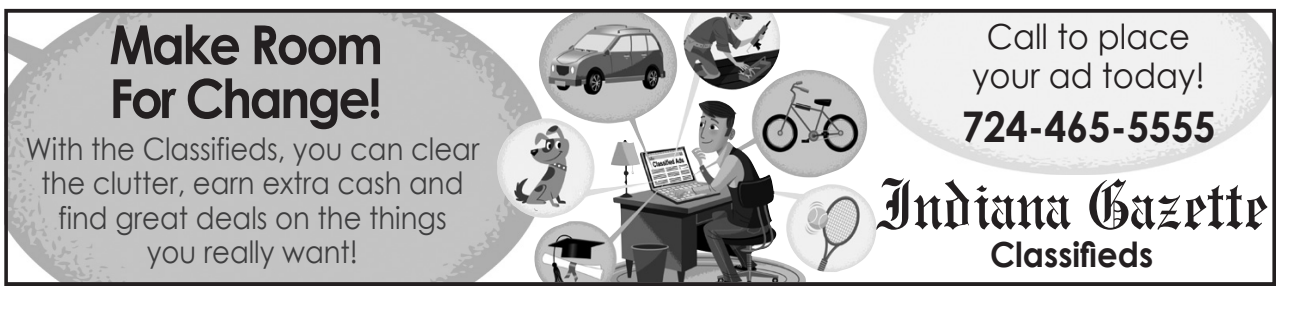

In this deal, South pushes himself into seven no-trump. What should he do after West leads the heart jack?

North might have rebid two no-trump, but support with support is a reliable policy. And South's last bid was a slight gamble, but North rated to have decent diamonds for his opening bid when he had only one ace and one king.

South has 13 top tricks: one spade, two hearts, four diamonds and six clubs. But since the diamond suit is blocked, that is true only if he has an entry to reach the diamond ace-queen. Declarer must win the first trick in his hand with the heart ace, cash the diamond king-jack, play a heart to dummy's king, and discard his spade losers on the diamond ace-queen.

If South wins trick one on the board, he had better hope that West discards a diamond while the clubs are run.
