**THE OPTIONS  
START AT TRICK ONE**

Yesterday, I stressed considering your options at trick one. Here is another example. If South plans carefully, he has a good chance to make his contract. But if he plows forward thoughtlessly, he will probably fail. South is in four spades. West leads the club king, and East signals with his jack. What should declarer do?

I think North should have made a takeout double over one club. True, the double might have resulted in his side's playing in a 4-3 major-suit fit, but it would have been more flexible than one diamond. Then, South's one-spade advance was forcing for one round.

South has four potential losers: two hearts, one diamond and one club. But if diamonds are splitting 3-2, he has 10 win-

ners: five spades, four diamonds and one club. How might he lose four tricks first?

Only if East gains the lead to push a heart through. So, at trick one, South must play low, letting West hold the trick. If declarer takes the first trick, when West gets in with his diamond king, he will continue with a low club, giving East the lead for the heart shift. Note that West knows to do this from East's careful play of the club jack at trick one. Play the top of touching honors when you cannot win a trick on defense.

South takes West's club continuation, draws trumps ending in his hand, and plays a low diamond to dummy's jack. Then, because dummy has no side entry, declarer continues with a low diamond to his queen. After that, he cruises home.

SATURDAY,  
OCTOBER 11, 2025

By Eugenia Last

Learn from experience when deciding whom to trust and what to walk away from this year. It's time to weed out the riffraff and prioritize your schedule to meet your demands. Don't make a scene; quietly remove yourself from situations and people who weigh you down. Time is precious.

**LIBRA (Sept. 23-Oct. 23)** — Take an active role in deciding how you use your time and reach your goals. A change to where or how you live will boost your morale and encourage you to put yourself first.

**SCORPIO (Oct. 24-Nov. 22)** — Keep your plans secret until you have everything in place. Focus on money and abide by the rules and regulations. Spend time with someone you love and strengthen the bond you share.

**SAGITTARIUS (Nov. 23-Dec. 21)** — It's time to discard what's no longer useful, freeing up time to pursue positive change and become the best version of yourself. Call on your emotions for honest answers, assessments and solutions.

**CAPRICORN (Dec. 22-Jan. 19)** — A new look, pastime or surroundings will awaken the spirit within and point you in a positive and exciting direction. Romance someone you love or pursue someone new if you're single.

**AQUARIUS (Jan. 20-Feb. 19)** — Invest more time, effort and money into doing and being your best. Engage in events that can help you connect with people who are heading in a similar direction.

**PISCES (Feb. 20-March 20)**

— Emotions will surface. Try not to overreact. Verify facts and give others the benefit of the doubt. The best way to deal with controversy is to speak the truth and ask for the same in return.

**ARIES (March 21-April 19)** — Inner conflict requires your attention before you tackle matters that include others. Change begins with you. Choose what excites you most and walk away from situations that suffocate you.

**TAURUS (April 20-May 20)** — Use your energy wisely. When anger mounts, engage in a physical activity to dissipate aggression. Worry less and establish what brings you the most pleasure.

**GEMINI (May 21-June 20)** — Embrace a chance to learn, travel or unite with someone you love to spend time with. Explore the possibilities of using your talents to fit what's marketable and sparks your interest.

**CANCER (June 21-July 22)** — Think big but do only what's necessary. Participate in a challenge that gets you moving and helps you discover the possibilities available to you. Opportunity is within reach; seize the moment.

**LEO (July 23-Aug. 22)** — Putting your energy to good use will make a difference and prompt you to feel good about who you are and what you contribute. Expect to enrich your life through the people you meet and the offers you receive.

**VIRGO (Aug. 23-Sept. 22)** — Initiate a conversation that fosters positive change. Keep your emotions grounded and your eye on what you want to achieve. Activities or events that require discipline and energy will offer positive affirmation.
