ASTROGRAPH

Your Birthday

FRIDAY, JULY 17, 2026

By Regina Lee

Happy Birthdays! Be discerning, choose your words wisely and do your best to stay out of trouble. Protect your image, reputation, position and whatever is meaningful. Use your intelligence and intuitive insight to navigate your way forward. A financial opportunity looks inviting. Check out government funding and educational training.

CANCER (June 21-July 22) — A little chaos will carry you a long way when dealing with personal situations and people you want to keep by your side. Stick to the truth and offer incentives. Be a good listener.

LEO (July 23-Aug. 22) — Explore possibilities, but hold your thoughts while gathering information. Big talks will be exhilarating and eager to take advantage of you if you give them the chance. You can be direct, but don't give away your time.

VIRGO (Aug. 23-Sept. 22) — Wait and watch. The changes unfolding around you will have consequences that can hurt your status quo. Pay close attention to what you can control, and invest more time and effort in expanding your income.

LIBRA (Sept. 23-Oct. 23) — Take a disciplined approach to learning, using your skills and outsmarting anyone who challenges you. Opportunities are apparent, but obstacles exist. Choosing the right path will be difficult.

SCORPIO (Oct. 24-Nov. 22) — An open mind will lead to wisdom, discernment and conversations with informative people who spark your imagination and encourage you to go on a learning expedition.

SAGITTARIUS (Nov. 23-

Dec. 21) — Stick to what and who you know. If you venture off course, you'll encounter emotionally manipulative people. Your best opportunities will come from being self-serving, not counting on others to do things for you.

CAPRICORN (Dec. 22-Jan. 19) — Take note when your money goes. Don't feel you have to pay for other's entertainment or mistakes. Let your income reflect your lifestyle. Don't hesitate to have tough talks with anyone you feel is taking advantage of you.

AQUARIUS (Jan. 20-Feb. 19) — An opportunity to work in a field that offers security or to surround yourself with people who share your beliefs will encourage you to get out more and enjoy what life has to offer.

PISCES (Feb. 20-March 20) — Choose your battles wisely. Concentrate on nurturing important relationships. Social events, entertainment and activities you enjoy will put you in a good mood and give you a chance to meet people.

ARIES (March 21-April 19) — Choose a creative outlet or social event that fosters a hobby or passion you enjoy. Participation will lead to an interesting offer or concept that can change your lifestyle or have you own your thing.

TAURUS (April 20-May 20) — Socializing will lead to interesting conversations and an opportunity to hear about a professional opportunity or an introduction to someone of interest. Don't feel obligated to share off.

GEMINI (May 21-June 20) — You'll face emotional challenges if you participate in competitive challenges that put your physical well-being in jeopardy. It's OK to cheer from the sidelines.

IF YOU OVERBID,
YOU MUST OVERPLAY

Have you ever made a wild overbid on a deal because it felt like the right thing to do at the time? Of course you have; we all have. But then you probably found yourself in a hopeless contract, went down and apologized to your partner. Sometimes, though, you might have been able to call on the assistance of your opponents.

In today's deal, South is in four spades. West leads the club jack. That wins the first trick and South ruffs the second club. How should declarer continue?

When North rebid one no-trump to show a balanced 12-14 points, South might have settled for a two-spade signoff, but one can understand a game-invitational three-spade rebid. Here, North would probably have passed because he does not have

a very suitable hand for a spade contract.

Four spades appears to be one level too high. South seems destined to lose two spades, one heart and one club. But he has a Machiavellian chance. He should cross to the dummy in a red suit and call for the spade jack.

Many Easts, looking at the queen and 10, would not be able to resist the temptation to cover with the queen. Then, though, after South wins with his ace, there will be a stunned silence when West is forced to play his king.

Declarer drives out the spade 10 and claims his contract.

Although the opponents are supposedly trying to defeat your contract, remember that many of them will misdefend if you give them half a chance.
