ASTROGRAPH

Your Birthday

THURSDAY, AUGUST 6, 2026

By Eugenia Last

Happy Birthday: Stifle your emotions around people who can use what you do and say against you. Focus on learning, exercising your strengths and controlling outcomes. Choose what and who are meaningful to you. It's up to you to change what you don't like and to ensure your safety and happiness. Don't put your life in someone else's hands. Be original.

LEO (July 23-Aug. 22) — Balance is what's important, and learning and living life happily requires equality and the ability to live up to your expectations, not what others want from you. Be brave.

VIRGO (Aug. 23-Sept. 22) — Plans to look and feel your best will be met with people who have their own ideas of how you should proceed. Don't trust those who paint a pretty picture with no rhyme or reason behind their promises.

LIBRA (Sept. 23-Oct. 23) — Ditch replaying things in your head; move on. It's time to cut your losses and to make your way in a direction you truly believe in. Entertain the thought of immersing yourself in something that fascinates you.

SCORPIO (Oct. 24-Nov. 22) — Reduce, simplify, declutter and free your body, mind and soul of all that torments you. Your energy needs to be strategically aimed at a purpose or what matters to you. Dig deep.

SAGITTARIUS (Nov. 23-Dec. 21) — Throw your energy in a direction that lightens your heart, fills your home with happiness and allows you to let your creative spirit take over. Love looms.

CAPRICORN (Dec. 22-Jan. 19) — Speak on behalf of those who can't. Wrap your mind around how and what to enforce to make a difference in how you live, think and move forward. Don't wait until it's too little, too late.

AQUARIUS (Jan. 20-Feb. 19) — Get the facts before you act. Overthinking or overdoing will lead to mistakes. Put your emotions and ego aside and do what's best for everyone, and you'll fulfill your desire to make peace with yourself and those you care about.

PISCES (Feb. 20-March 20) — Trust your instincts. Take your time and use your intelligence to sort through your options and consider the consequences. Time has a way of healing what is meant as a lesson.

ARIES (March 21-April 19) — Take a deep dive into your creative psyche and see what transpires. Reinventing yourself or trying something new will inspire you to be good to yourself and make a difference.

TAURUS (April 20-May 20) — Make your space comfortable and convenient. An opportunity to bring in extra cash from a home-based business doing something you enjoy will be uplifting and help with confidence and personal growth.

GEMINI (May 21-June 20) — If you don't like something, change it. Look over your personal preferences and put a to-do list together. Take control of your life, and put what you need to reach your goal in place.

CANCER (June 21-July 22) — Gravitate toward those who are transparent. Take a unique approach to producing authentic answers to solutions. Specialize in being yourself and offering others your very best.

GET IN THEIR WAY TO GET HOME SAFELY

John Stuart Mill, a 19th-century British philosopher and economist, said, "The only freedom which deserves the name is that of pursuing our own good in our own way, so long as we do not attempt to deprive others of theirs, or impede their efforts to obtain it."

At the bridge table, though, it is your job to impede your opponents' efforts to obtain your downfall. In this deal, how should South thwart the defense's efforts to defeat three no-trump after West leads his fourth-highest diamond?

There is a strong case for North's raising one no-trump to three no-trump, eschewing Stayman. He has a high honor in his doubleton and extra high-card strength. Even if North uncovers a 4-4 spade fit, game in that strain might fail due to, for example, a bad trump split, when there are nine winners in no-trump.

South starts with eight top tricks: three hearts, one diamond and four clubs. The ninth winner will come from spades. But playing on that suit will give the lead back to the defenders and maybe they can run the diamond suit.

The Rule of Seven recommends holding up the diamond ace for one round and taking the second trick. Here, though, that is fatal. West gets in with his spade ace and cashes three diamond tricks.

If the diamonds are 4-3, South is always safe. But if they are 5-2, what is the layout?

Surely East has honor-doubleton because West would have led the king from K-Q-J-x-x.

South should win the first trick with dummy's diamond ace to block the suit.
