ASTROGRAPH

Your Birthday

WEDNESDAY, MAY 27, 2026

By Eugenia Last

Happy Birthday: Set yourself up for success. Step outside your comfort zone, initiate change and let your creative imagination lead the way. Turn your talents into something marketable, and discover the satisfaction of doing something you love.

GEMINI (May 21-June 20) — Choose an affordable plan. Knowing your capabilities and using your intelligence to convince others to pitch in and help will contribute to turning your ideas into a successful venture.

CANCER (June 21-July 22) — Stick to what you feel passionate about, but don't go over your budget. Being short on cash will increase your stress level and take away from the enjoyment you are searching for. Trust your instincts.

LEO (July 23-Aug. 22) — Express yourself, your desires and your game plan. The feedback you receive will give you a good indication of where to draw the line on the budget, time and energy you decide to contribute.

VIRGO (Aug. 23-Sept. 22) — Emotional spending, or letting someone manipulate you to donate or give in to something you cannot afford or complete, will require discipline, a firm no and honesty regarding what you are willing to do.

LIBRA (Sept. 23-Oct. 23) — Think about the ramifications before you make a radical or emotional move or gesture. Consider what matters to you most and how you can diversify your plans or skills to make your life easier and your finances manageable.

SCORPIO (Oct. 24-Nov. 22) — Be receptive, but not foolish. Ask questions and reach out to agencies, institutions and experts who can explain the ins and outs of whatever you are considering.

SAGITTARIUS (Nov. 23-Dec. 21) — You'll be anxious for a change. It's time to light the fuse and to make things happen. If you don't like where you live or the rising costs you're enduring, it's time to rethink your lifestyle and your expenses.

CAPRICORN (Dec. 22-Jan. 19) — Remain calm, observant and practical. You have more opportunities than you realize, but first you must be willing to let go of what's no longer working for you.

AQUARIUS (Jan. 20-Feb. 19) — Make comfort and convenience your criteria, and the results you get will revive your spirit and encourage you to use your creative skills to build a lifestyle that satisfies your soul.

PISCES (Feb. 20-March 20) — Keep an open mind, but don't give in to anyone using manipulative tactics to make changes you don't want. Keep your thoughts to yourself until you have all your plans in place.

ARIES (March 21-April 19) — Dream all you want, but when it comes to action, agree only to what's feasible. Problems will surface at home if money is short or if you or someone you share expenses with doesn't hold up their end of the bargain.

TAURUS (April 20-May 20) — Keep moving. An aggressive approach to life, health, love and learning will help you broaden your horizons and boost your confidence when you decide to implement your plans.

By Phillip Alder

IF ONLY HE HAD A DUMMY ENTRY

Matthew Lillard, an actor, director and producer, said, "Now, more than ever, we have the ability to make films for almost nothing and that's broken down all barriers of entry. I think it's a new golden age of filmmaking."

Make films for almost nothing? Interesting. In this deal, though, declarer needs to break down the barriers to get to the dummy. How can he do it?

South is in six spades, and West leads the heart queen to South's ace.

South opens two clubs, strong, artificial and forcing, then rebids two spades. North responds with two diamonds, typically 0-7 points, then rebids with a double negative, two no-trump or three clubs, according to partnership preference, to show 0-4 points. South, out of ideas,

takes a shot at six spades. It is easy to get careless. If South immediately cashes his spade ace, he can no longer make the contract. Yes, the 4-0 break is unlucky, but declarer should be looking at 12 tricks via five spades, two hearts, three diamonds and two clubs. But to get three diamond tricks, he needs a dummy entry. He must use dummy's spade eight.

At trick two, South should lead his spade jack. East ought to play low. But then declarer unblocks (cashes) his two diamond winners before leading the spade 10.

If East ducks again, South has no spade loser and is home. Or if East takes the trick and, say, returns a heart, declarer wins in his hand, leads his low spade to dummy's eight, discards his last heart on the diamond queen, ruffs a heart, draws East's final trump and claims.
