Your Birthday

FRIDAY, MARCH 27, 2026

By Eugenia Last

It's time to step outside your comfort zone and test the possibilities. Explore what you enjoy doing and consider how to take what brings you joy to the next level. Develop your skills and reach out to people in positions you see yourself pursuing. Life is about choices, and it's time to make some positive moves.

ARIES (March 21-April 19) — Divvy up your time according to importance first and preference second. A professional change will encourage greater socialization and encounters with those who enrich your life.

TAURUS (April 20-May 20) — Change begins with you. Consider what makes life easier for you and start by altering your routine and surroundings. Fine-tune your life to ensure that you excel.

GEMINI (May 21-June 20) — Initiate an exciting project. Call an old friend and catch up, attend a reunion or sign up for something that can enrich your mind, body or soul. Refuse to let what others do or say stand in your way.

CANCER (June 21-July 21) — Avoid situations and people that make you feel vulnerable. Look for the good and the positive in everyone and follow your heart. Make your intentions and your feelings clear and explore what's possible.

LEO (July 23-Aug. 22) — Do whatever it takes to reach your dreams. Doing some research or making plans with someone you want to get to know better will lift your spirits and give you hope. Take advantage of an opportunity.

VIRGO (Aug. 23-Sept. 22) —

Use your skills, experience, fortitude and a proactive approach, and rewards will follow. Raise your awareness, and you'll find the happiness that comes from doing something that benefits others.

LIBRA (Sept. 23-Oct. 23) — Stick close to home and unwind and reconsider your priorities. The drive to combine the old with the new will help you piece together a timely and doable plan.

SCORPIO (Oct. 24-Nov. 22) — Think big, muster up some energy and take physical action to ensure you reach your goal. Someone will push an emotional button. Don't ignore the message you receive.

SAGITTARIUS (Nov. 23-Dec. 21) — Focus on home and the people and pastimes that bring you joy. An investment or purchase may pique your interest, but you should be wary. Your best return will come from home improvements that save you money.

CAPRICORN (Dec. 22-Jan. 19) — Keep your eye on what's happening around you. Someone will get in your way or lead you astray if you give them the chance. You can have fun if you don't overdo it and know when to stop.

AQUARIUS (Jan. 20-Feb. 19) — You are in a better position than you realize. A healthy lifestyle change will motivate you to update your look, express your feelings and follow your dreams.

PISCES (Feb. 20-March 20) — Sign up for something you enjoy doing and explore the possibilities. Size up situations quickly and move on until you connect with someone who feels like a good fit.

HOW DO YOU REMOVE THE EXTRA LOSER?

Aristotle Onassis said, "Don't sleep too much. If you sleep three hours less each night for a year, you will have an extra month and a half in which to succeed."

I wonder if he tried that plan, but fell asleep on the job.

A bridge player cannot afford to sleep at the table. He should count winners and losers, and watch all of the cards as they are played.

In this deal, the problem is South's extra loser. West leads the spade queen against three hearts. How should South proceed?

North had a textbook game-invitational limit raise, showing at least four hearts, 10-12 support points (high-card points plus short-suit points) and eight losers. South guessed well to pass.

When the dummy comes down, declarer should count his losers. Here he has one club, one heart and at least two spades. He has only seven sure winners: four hearts, two diamonds and one club.

South should play a low spade from the dummy at the first two tricks. East is bound to have the ace and might be forced to play it. Here, though, the defenders take the first three tricks. Then East shifts to a low club. What next?

Declarer has gained an eighth winner, his last spade. But he still has five losers: three spades, one heart and one club. How can he eliminate that club loser? South must immediately take three diamond tricks. He cashes his diamond ace, plays a diamond to dummy's jack, and discards his club jack on the diamond king. Then declarer plays trumps and claims.
