ASTROGRAPH

Your Birthday

THURSDAY, OCTOBER 29, 2026

By Eugenia Last

Happy Birthday: Avoid too much or too little. Balance, equality and meeting in the middle will help you zigzag your way through ups and downs masterfully this year. The more you align yourself with practicality, patience and a passionate attitude regarding what's fair and best for you, the easier it will be to flourish. Life choices matter, and the right attitude will carry you forward. Build your destiny with optimism, love and faith.

SCORPIO (Oct. 24-Nov. 22) — Take a moment to get your thoughts in order before starting a discussion that can influence your position, reputation or relationship with someone special. Keep life simple.

SAGITTARIUS (Nov. 23-Dec. 21) — Show off your attributes and be effervescent, and you'll have an impact on those you encounter. The sky's the limit if you present, perform and promote what you can do.

CAPRICORN (Dec. 22-Jan. 19) — Finish what you start before you make demands. Size up the competition, reduce any momentum they have and secure your position. Proving your worth will help you gain the acceptance and perks that you desire.

AQUARIUS (Jan. 20-Feb. 19) — A change will do you good. Diverting your attention to something that brings you joy will push you down the right path. Having gratitude will attract positive energy.

PISCES (Feb. 20-March 20) — Scrutinize information from unknown sources. It's your call to offer legitimate information if you expect to get high returns. Don't feel obligated to pay for others or let unrealistic promises tempt you to overspend.

ARIES (March 21-April 19) — Step out of your comfort zone and do things differently. Let your uniqueness shine through, and present what you can offer with pride and confidence. It's all about how you engage with others.

TAURUS (April 20-May 20) — Speak up and take care of unresolved issues before they turn into something you cannot control. Avoid costly entertainment or someone trying to sell you something you don't need.

GEMINI (May 21-June 20) — Implement change with finesse, integrity and gratitude. Knowledge, accuracy and living up to your promises will dictate the returns you receive. Take nothing for granted.

CANCER (June 21-July 22) — Take your time, observe what's unfolding around you and be discreet. Venture out and gather information and insight into something that can help you bring about a positive change.

LEO (July 23-Aug. 22) — Actions speak louder than words. Do what you do best, and present and promote yourself with dignity and charisma. Hard work will grab attention and help you pay the bills.

VIRGO (Aug. 23-Sept. 22) — Speak up. You have plenty to gain if you ignore those trying to derail your efforts and pour your energy into finishing what you start and promoting your endeavors to the powers that be.

LIBRA (Sept. 23-Oct. 23) — Keep the momentum flowing. Don't slack when time is of the essence. Laziness will be seen as weakness, so buckle up and deliver the charm you possess and the intelligence and genius you can bring to the table.

LISTEN OUT FOR THE WARNING SIREN

Gertrude Stein said, "We are apt to shut our eyes to that siren until she allures us to our death."

When the opponents are in the bidding, they are giving you information about their hands. You may shut your eyes, but do not close your ears. Listen closely and use that data to your benefit. Do not sit there with earmuffs on. (Even a pass may provide positive information, but that is much less common.)

In this deal, East had an interesting decision over two spades: double or three hearts? Double would have kept all three suits in play, but would have almost certainly resulted in a 5-3 heart fit being missed. Preferring to aim for the most likely game, East plunged in with three hearts. Then South understandably took a shot at four spades. West, less understandably, doubled for penalty, telling declarer that the spade break was very bad.

West led the heart 10. East won with his king and tried to cash the ace, but South ruffed. There was a strong case for not touching trumps at all, but at the table declarer led his spade seven and went up with dummy's ace! Now the contract had to fail.

South should have played the spade two from dummy. Then he cashes his diamond tricks and plays a club to dummy's queen. Suppose East wins and leads another heart. Declarer must ruff with his jack. Assume West overruffs and returns a trump. South wins with dummy's nine, plays a club to his 10, cashes the club ace, and cross-ruffs the last two tricks.
