## ASTROGRAPH

Your Birthday  
SUNDAY, JUNE 14, 2026  
By Eugenia Last

Happy Birthday: Don't waste  
time. It's your turn to excel.  
Refuse to let anyone stand in  
your way or lead you astray. A  
lifestyle change will promote  
growth and harmony and set  
you on a path that encourages  
you to finish what you start.

GEMINI (May 21-June 20)  
— Let your actions lead the way;  
the results you get will speak  
for you. How you present yourself  
to others will determine who  
you attract. A new look will give  
you confidence.

CANCER (June 21-July 22)  
— Listen more than you talk,  
and you'll gather information  
that helps you size up situations  
and take advantage of opportunities  
others share. Helping a  
cause will lead to an unexpected  
offer or financial gain.

LEO (July 23-Aug. 22) —  
Participate in something you  
enjoy, and show off what you  
can do. The connections you  
make will lead you down an  
unusual path that changes your  
perspective on life and what you  
want to pursue.

VIRGO (Aug. 23-Sept. 22)  
— Stop dwelling on the past or  
something you have no control  
over. Start putting more  
thought, time and effort into  
projects that boost your morale  
and make a difference.

LIBRA (Sept. 23-Oct. 23) —  
Keep your thoughts private. Listen  
and observe, and socialize  
with people who enjoy the same  
physical activities as you. You'll  
thrive when challenged or in  
competitive situations that depend  
on your physical abilities.

SCORPIO (Oct. 24-Nov. 22)  
— Speak from the heart. Let  
your creative imagination lead

the way. Bare your soul and find  
out where you stand. A passionate  
approach to your pursuits  
will make others take note.

SAGITTARIUS (Nov. 23-  
Dec. 21) — Harness pent-up  
energy and put it to good use.  
Consider what you value most  
and protect yourself, your possessions  
and your reputation from  
anyone showing jealous or  
vengeful tendencies.

CAPRICORN (Dec. 22-Jan.  
19) — Take advantage of an  
opportunity to make new friends.  
Attending an event that offers  
something unique or gives you  
a different perspective on life,  
love and finding your bliss will  
help ground you and give you  
peace of mind.

AQUARIUS (Jan. 20-Feb. 19)  
— Get physical, and become the  
best version of yourself. Socialize,  
make new friends and explore  
what lies ahead. A change in  
your domestic scene will encourage  
you to take a path that  
excites you.

PISCES (Feb. 20-March 20)  
— Speak up, voice your opinion  
and follow the path that makes  
the most sense to you. Opportunity  
comes to those willing to  
step up and make things happen.  
Refuse to let what others do  
get in your way.

ARIES (March 21-April 19)  
— A creative interest will flourish  
if you are disciplined. Market  
yourself and your creative  
endeavors, and you'll receive  
constructive criticism and a  
path forward.

TAURUS (April 20-May 20)  
— Refuse to let the changes  
others make interfere with your  
plans. Being true to yourself  
will help you build confidence  
and encourage you to engage  
in activities that broaden your  
choices and outlook.

By Phillip Alder  
THE OPENER'S BID  
LIGHTS THE ROAD

Ellen Key, a Swedish author  
who died in 1926, said, "The  
educator must above all understand  
how to wait; to reckon all  
effects in the light of the future,  
not of the present."

I teach a lot of classes, especially  
during the early part of the  
year. I see some mistakes made  
time and time again. This deal  
highlights one of the most common.  
After East opens one heart  
as dealer, South makes a takeout  
double, and West passes, what  
should North do?

Assuming the advancer (the  
doubler's partner) does not have  
a hand suitable for no-trump, an  
experienced player answers a  
takeout double by bidding the  
suit that he prefers at a minimum  
level regardless of high-card  
count. He expects partner to  
be psychic in divining how  
many points he holds.

By an unpassed hand, a new  
suit shows about 0-8 points. A  
single jump in a suit promises  
9-11 points. And with a hand  
as strong as North's, one should  
start with a cue-bid of the opener's  
suit. This is artificial, just indicating  
12 points or more. (A  
passed hand should lower those  
ranges by two points.)

After this cue-bid, the hunt is  
on for a fit. Here, South rebids  
two spades, North raises to three  
spades, and South goes on to  
four spades.

West leads the heart three.  
East takes two tricks with his  
king and ace, then shifts to the  
club jack. How should South  
play the trumps?

There are only 13 high-card  
points missing. Ergo, East must  
have the spade king. Declarer  
should play a spade to dummy's  
ace and continue with a low  
spade. When the king luckily  
appears, the contract is home.
