Your Birthday

SUNDAY, OCTOBER 11, 2026

By Eugenia Last

Happy Birthday: Look on the bright side of life. Find the good in others, and turn negatives into positives. Decisions are easy if you proceed with grace, dignity and respect. If you do your best to get along with everyone, you will find it easier to reach your goals without interference. Freedom, patience and understanding are your tickets to stardom. What you give, you will receive. Make each moment count.

LIBRA (Sept. 23-Oct. 23) — Lending a helping hand will lead to greater awareness, purpose and ways you can contribute. The people you encounter and the dedication you show will make a difference.

SCORPIO (Oct. 24-Nov. 22) — Don't apply pressure when a kind gesture or word will suffice. Sit back and be attentive and curious about what's happening. Choose to be the quiet crusader with a big heart.

SAGITTARIUS (Nov. 23-Dec. 21) — Take control, and start projects that encourage a better lifestyle. Don't let frustration and anger set in if someone doesn't agree with you. It's OK to do things your way.

CAPRICORN (Dec. 22-Jan. 19) — Focus on what's possible. Offer suggestions, but don't own mistakes that don't belong to you. Use your intelligence and physical attributes to carry out the duties that belong to you.

AQUARIUS (Jan. 20-Feb. 19) — Keep tabs on your money, overhead and subscriptions. Choose to downsize where possible, and implement more time and cash to what brings you joy. Distance yourself from controversy.

PISCES (Feb. 20-March 20) — Set yourself up for success. Put a budget and a plan in place, and do what you do best. Stop wasting time on what others choose to do, and focus on satisfying your needs.

ARIES (March 21-April 19) — Trust your instincts and follow your heart. Plan to do something adventurous, healthy or romantic. Refuse to let what others say or do cause emotional discord.

TAURUS (April 20-May 20) — Arguments will not solve issues. Solutions that are well thought out and accommodate all concerned who are willing to compromise will help you reach your objective.

GEMINI (May 21-June 20) — Enhancing your skills will pay off. Attend an event that offers insight into something you might enjoy doing for a living. Don't shy away from influencing others.

CANCER (June 21-July 22) — Use your energy to shine, not to annoy someone looking for an argument. Distance yourself from people you have trouble getting along with, and gravitate toward those who inspire you to be active, fit and healthy.

LEO (July 23-Aug. 22) — Keep your thoughts and opinions to yourself. Don't start something you can't finish. Your efforts are best reserved for personal pampering and learning how to manage your time and money better.

VIRGO (Aug. 23-Sept. 22) — Tune in to the conversation. Stay aware of situations and how others perceive what's happening and the outcome that follows. Avoid protests and risky situations.

Your Birthday

TUESDAY, OCTOBER 13, 2026

By Eugenia Last

Happy Birthday: Look for and take advantage of opportunities, and walk away from drama and chaos. Refuse to let anyone persuade you to invest in what benefits them, not you, or deters you from manifesting your own dreams. Put your energy into personal growth and lifestyle changes that ease your mind, bank account and future. Discipline, curiosity and imagination will prompt you to satisfy your soul, practice money management and to live a healthy lifestyle.

LIBRA (Sept. 23-Oct. 23) — Indulge in something that makes you feel grateful and good about who you are, what you represent and what you do to help those less fortunate. Address your concerns through kind and thoughtful gestures.

SCORPIO (Oct. 24-Nov. 22) — Taking care of your needs or spending time with someone you deem special will help you put your worries aside and gain perspective on any situation that's causing you grief.

SAGITTARIUS (Nov. 23-Dec. 21) — Reorganize your space to fit your needs. Put your energy into handling your investments and finances better. Downsize or decrease your overhead by canceling services you don't use.

CAPRICORN (Dec. 22-Jan. 19) — Spend more time doing the best job possible and taking care of situations that require your expertise and leadership ability. Steer clear of those eager to lead you astray.

AQUARIUS (Jan. 20-Feb. 19) — Getting along, compromising and working to resolve pending issues will help you let go of the past and head in a direction that offers less stress and greater freedom to do as you please.

PISCES (Feb. 20-March 20) — Pay attention to how you look, feel and present yourself. Engage in talks that offer insight into what's possible and the changes that will help you reach your objective.

ARIES (March 21-April 19) — Let your creativity flow when dealing with financial and physical changes you want to make. Enhance your looks and lifestyle through learning and finding out how to reach your goals.

TAURUS (April 20-May 20) — Put your energy into something constructive. If you let anger mount or do things that exhaust you mentally or physically, you'll pay a price. Nurture meaningful relationships.

GEMINI (May 21-June 20) — A change of plans or direction will turn out better than anticipated. Throw yourself into projects that make you feel grateful. What you do to help others will open doors to new adventures, job prospects or friendships.

CANCER (June 21-July 22) — You'll get caught in the middle if you interfere in someone else's business. Distance yourself from drama and people likely to blame you for what goes wrong. Look inward.

LEO (July 23-Aug. 22) — Redirect your energy to ensure you make the most of your day. Learn something new, be a good listener and explore how you can use what you discover to make your life and your relationships better.

VIRGO (Aug. 23-Sept. 22) — You can't monitor changes if you don't have a seat at the table. Having a laid-back attitude and a detailed assessment of the decisions others make will turn you into the go-to person.

THE SIGNAL SIGNALS A CONTRACT'S DEFEAT

David Letterman said, "Traffic signals in New York are just rough guidelines."

There are other cities like that. In colorful Cairo, no one seemed to stop for a red light unless either other cars were crossing the junction or a police officer was standing there.

Bridge defense signals are often only suggestions to partner, but sometimes are strict guidelines. In this deal, how should East and West play to defeat four spades after West leads a low heart in answer to his partner's lead-directing double?

North's four-heart response was a Texas transfer. It guaranteed at least a six-card spade suit and either game-only or slam-going values. Yes, here North would have done better to respond three no-trump, but that might have backfired.

When playing third hand high, East is supposed to put up the bottom of touching honors first -- but not when he has ace-king-doubleton. Then, he takes the first trick with the ace and cashes the king, high-low with a doubleton. And if he can get West back on lead, East can receive a heart ruff to defeat the contract. But which minor should East lead at trick three?

West must give East a suit-preference signal. If West's entry is in the lower-ranking of the other two side suits, he plays his lowest heart at trick two. Here, though, because his entry is in the higher-ranking side suit, West drops his highest heart, the jack. Then East will know to shift to a diamond at trick three. West will take that trick and give his partner a heart ruff for down one.

Signal as clearly as possible.

WHICH FIT SHOULD YOU PREFER?

Judith Martin, who is better known as Miss Manners, said, "We are born charming, fresh and spontaneous and must be civilized before we are fit to participate in society."

To participate effectively in a bridge deal, we hope to find a fit with partner. This week we will look at the factors affecting your choice when you have two fits. First, should you prefer a 4-4 fit or a 5-3 fit?

Almost always, you should pick the 4-4. If the 4-4 fit is a side suit, you will get at most four tricks. But if it is the trump suit, you will often get an extra trick by ruffing a loser in one hand or the other. And a 5-3 side-suit fit will usually provide two discards on the fourth and fifth cards. But if the 5-3 fit is the trump suit, it will rarely furnish a sixth trump trick from a ruff in the shorter trump hand.

Look at today's deal. How does South get on in four hearts or four spades?

In the auction, North might have started with a negative double to show his four hearts, especially as his singleton made his hand a tad strong for a single spade raise. After the spade raise, the South hand was just worth game, but he wisely showed his heart suit. Then North raised to four hearts, a tad worried about his weak trumps.

Against four hearts, West should realize that East is highly unlikely to have an entry, so should start with three rounds of trumps. But South can easily restrict his losers to one spade and two trumps.

In spades, West can cash his two high hearts and give his partner a heart ruff. Then West's trump trick defeats the contract.
