ASTROGRAPH

Your
Birthday

WEDNESDAY,
SEPTEMBER 16, 2026

By Eugenia Last

Happy Birthday: How you use your energy will make a difference in what transpires. You can ignore what's unfolding — or you can do your best to have a positive influence on others by setting a good example. You have plenty to gain if you are proactive and put your suggestions and expertise back into your community.

VIRGO (Aug. 23-Sept. 22) — Positive conversations will get results. Discussing joint ventures, shared expenses, and how and what you can do to get along better with those you live or work with will help resolve pending problems.

LIBRA (Sept. 23-Oct. 23) — Speak up, paint a picture that others can respond to and take control. A change of attitude will be a lesson well learned. Positivity will help you engineer exactly what you need.

SCORPIO (Oct. 24-Nov. 22) — Having completion as the goal will be necessary to make the most of your day. Follow through with your promises, and be honest with yourself about what you can do before you start offering your services.

SAGITTARIUS (Nov. 23-Dec. 21) — You are overdue for a change of heart, position or lifestyle. Hit the reset button, use your imagination and put muscle behind your actions. It's up to you to make the first move.

CAPRICORN (Dec. 22-Jan. 19) — Refuse to believe everything you hear. Someone will lead you astray or misinterpret what you say. Keep your thoughts to yourself and listen carefully. What you do will have a far greater effect on how others view you.

AQUARIUS (Jan. 20-Feb. 19) — A job prospect looks inviting. Let your innovative imagination shine through at interviews, and you'll be a contender. Protect your health and well-being in situations that pose a risk factor.

PISCES (Feb. 20-March 20) — Put your emotions on the back burner. The less you let others see your vulnerabilities, the better. Put your energy into handling your medical, legal and financial affairs promptly and efficiently.

ARIES (March 21-April 19) — Turn your anxiety into initiative. Put pressure on yourself to get fit, feel good and do your best. Energy well distributed will bring results that encourage both financial and personal growth.

TAURUS (April 20-May 20) — Look in the mirror. Instead of trying to change those around you, focus inward to determine what you can do to be at your optimum performance. What you project is what you'll get back.

GEMINI (May 21-June 20) — Observe and adjust. Make the changes necessary for your emotional well-being. Don't put up with those who bring you down. If you use your intelligence, you'll easily outmaneuver anyone standing in your way.

CANCER (June 21-July 22) — Having a good memory and taking an innovative approach to work, money and medical issues will encourage good results. Personal care, a new look and romance are encouraged.

LEO (July 23-Aug. 22) — Don't let anger get the better of you when having a sound mind and intellectual conversations will help you wiggle your way to your heart's desires. Learn from experience.

THE BIDDING HELPS
WITH THE OPENING LEAD

Daniel J. Boorstin, a historian at the University of Chicago who died in 2004, wrote, "The traveler is active; he goes strenuously in search of people, of adventure, of experience. The tourist is passive; he expects interesting things to happen to him. He goes 'sight-seeing.'"

At the bridge table, the active defender goes strenuously in search of tricks. The passive defender hopes that tricks will have to be given to him. But how does he know which way to turn?

First, listen closely to the bidding. If the opponents bid aggressively, but stop in game, be active. If they inch up to game, stay passive, almost certainly leading a trump (or from a strong honor sequence).

In today's deal, what should West lead against four hearts?

Note that North is right to respond one diamond. With a good hand, responder bids his longest suit first. North's four-club rebid is a splinter, showing four-card heart support, at least game-going values and a singleton or void in clubs. (If South has very weak clubs, a slam is a distinct possibility.)

Since North has made a slam suggestion, West should lead actively, selecting the spade two, not a passive trump or diamond queen (especially as dummy rates to have at least five diamonds).

Leading low from length guarantees an honor in that suit. So East should know that he can take dummy's spade nine with his jack, cash the spade ace, and lead a third round to his partner's king. Then East will gain a trump trick for down one.

After a red-suit lead, South can win 11 tricks — quite a difference.
